PVSD actively participates in safety and training programs to promote a safe and healthy work environment for our employees. Occasionally accidents happen or employees might need additional support to get through difficult times. We are here for you! Pleasant Valley School District offers employees an assistance program to use services early in the progression of a problem before situations significantly impact their personal life or work. Be careful and take care of yourself-you are PVSD's most important asset!

It is the policy of our District to provide a safe and healthful workplace.

We are pleased to offer our employees a comprehensive assistance plan with a vast array of services ranging from: child/elder care, identity theft, legal services, drug, tobacco and alcohol cessation support, wildfire resource, work life/ balance and tragic events. We also have a company nurse on call 24/7 for workplace injury.
