

## Ellicott Middle School

### VEX Robotics Competition Team 2022-2023

#### Information and Parent Consent Form

The Vex Robotics Competition Team is open to all 6th, 7th, and 8th grade students. This is a student led group that meets most Tuesdays and Thursdays in the 8<sup>th</sup> grade science lab to practice their skills, expand their knowledge of robotics, and work collaboratively as they prepare to compete in various regional VEX Robotics competitions. These competitions and qualifiers are Saturday events scheduled during the fall and winter competition seasons. The following is criteria for joining the VEX Robotics Team:

- Act respectfully.
- Attend at least one of the weekly practices.
- Become familiar with C programming.
- Commit to attend competitions
- Agree to be photographed for team practices and events
