

SANDY VALLEY MIDDLE/HIGH SCHOOL HANDBOOK

2023-2024

***Additional policy can be referred to in our board policy section of this webpage. All handbook policy is in conjunction and addition to board policy.**

STUDENT RESPONSIBILITIES

The school's rules and procedures are designed to allow students to be educated in a safe and orderly environment. All students are expected to follow staff members' directives and follow school rules and guidelines.

STUDENT WELL BEING

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation, fire and tornado drills, safety drills in the event of the need of a lockdown, and reporting procedures. State Law requires that all students have an emergency medical authorization completed and signed by a parent or guardian on file in the School office. Students with specific health care needs should deliver written notice about such needs, along with physician documentation to the school office.

INJURY AND ILLNESS

All injuries are to be reported to the teacher and/or office. If the injuries are minor, the student will be treated in the clinic and return to class. If medical attention is required, the office will follow the School's emergency procedures and attempt to make contact with the parents. A student who becomes ill during the school day should request to go to the clinic. The nurse or an appropriate adult in the office will determine whether the student should remain in school or go home. No student will be released from school without proper parental permission.

ENROLLING IN THE SCHOOL

All students wanting to enroll at Sandy Valley Local Schools, **MUST** do so at our central office. State Law requires students to enroll in the school district in which their parent or legal guardian resides. New students under the age of 18 must be enrolled in school by their parents or legal guardian. When enrolling, parents must provide copies of the following:

- Birth Certificate
- Child's Social Security Card
- Court papers allocating parental rights, responsibilities, or custody.
- Proof of residency - includes either:
 1. Copy of current lease or rental agreement
 2. Property tax bill dated within the past year
- Immunization records

In addition, if a new student resides in the district with a grandparent and is subject of a (1) power of attorney designating the grandparent as the attorney-if-fact; or (2) caretaker authorization (affidavit executed by their grandparent that provides the grandparent authority over the care, physical custody, and control of the child, including the ability to enroll the child in school, consent in all school related matters, and discuss with the District the child's educational progress) the student's grandparent may enroll the child in school on a tuition free basis. However, in addition to the above-referenced documents that are typically required for enrollment, *the grandparent must provide the District with a duly executed and notarized copy of a power of attorney or caretaker authorization affidavit.*

A student suspended or expelled by another public school in Ohio may be temporarily denied admission to the District's school during the period of suspension or expulsion even if that student would otherwise be entitled to attend school in the District. Likewise a student expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired may be temporarily denied admission to the District's schools during the period of expulsion or removal or until the expiration of the period of expulsion or removal which the student would have received in the District had the student committed the offense while enrolled in the District. Prior to denying admission, however, the Superintendent shall offer the student an opportunity for a hearing to review the circumstances of the suspension or expulsion and any other factors the Superintendent determines to be relevant.

PROTECTION AND PRIVACY OF STUDENT RECORDS

The School District maintains many student records including both directory information and confidential information.

Directory information includes, a student's name; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team;; date of graduation; or awards received.

Directory information can be provided upon request to any individual, other than a for-profit organization, even without the written consent of a parent. Parents may refuse to allow the Board to disclose any or all "directory information" upon written notification to the Board. For further information about the items included within the category of directory information and instructions on how to prohibit its release you may consult the Board's annual *Family Education Rights and Privacy Act* (FERPA) notice which can be found posted in the school buildings or on the school website.

Other than directory information, access to all other student records is protected by FERPA and Ohio law. Except in limited circumstances as specifically defined in State and Federal law, the School District is prohibited from releasing confidential education records to any outside individual or organization without the prior written consent of the parents, or the adult student, as well as those individuals who have matriculated and entered a postsecondary educational institution at any age. The Board will provide access or release directory information to armed forces recruiters unless the parent or student requests that prior written consent be obtained. See Form 8330 F13.

Confidential records include test scores, psychological reports, behavioral data, disciplinary records, and communications with family and outside service providers.

Students and parents have the right to review and receive copies of all educational records. Costs for copies of records may be charged to the parent. To review student records please provide a written notice identifying requested student records to their building principal. You will be given an appointment with the appropriate person to answer any questions and to review the requested student records.

Parents and adult students have the right to amend a student record when they believe that any of the information contained in the record is inaccurate, misleading or violates the student's privacy. A parent or adult student must

request the amendment of a student record in writing and if the request is denied, the parent or adult student will be informed of his/her right to a hearing on the matter.

Consistent with the Protection of Pupil Rights Amendment (PPRA), no student shall be required, as a part of the school program or the District's curriculum, without prior written consent of the student (if an adult, or an emancipated minor) or, if an unemancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- A. political affiliations or beliefs of the student or the student's parents;
- B. mental or psychological problems of the student or the student's family;
- C. sex behavior or attitudes;
- D. illegal, anti-social, self-incriminating or demeaning behavior;
- E. critical appraisals of other individuals with whom respondents have close family relationships;
- F. legally recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers;
- G. religious practices, affiliations, or beliefs of the student or his/her parents; or
- H. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program).

Consistent with the PPRA and Board policy, parents may inspect any materials used in conjunction with any such survey, analysis, or evaluation. Please contact your building principal to inspect such materials.

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. The parent will have access to the survey/evaluation within a reasonable period of time after the request is received by the principal.

The Superintendent will notify parents of students in the District, at least annually at the beginning of the school year, of the specific or approximate dates

during the school year when the following activities are scheduled or expected to be scheduled:

A. activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information or otherwise providing that information to others for that purpose); and

B. the administration of any survey by a third party that contains one or more of the items described in A through H above.

The Family Policy Compliance Office in the U.S. Department of Education administers both FERPA and PPRA. Parents and/or eligible students who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office

VISITORS – SAFETY AND SECURITY

Visitors, particularly parents, are welcome at the school. Any visitor – student or adult – who desires to be in attendance in the building must first report to the school office. Anyone who will be in the building for any length of time will be issued a Visitor's Badge to wear. Those volunteering on a regular basis will be issued a Volunteer Badge to wear at all times while in the building.

If a person wishes to confer with a member of the staff, she/he should call for an appointment prior to coming to school in order to schedule a mutually convenient meeting time.

Access to the building will be limited. Only the front door will be used for guests to gain entry to the building. At no point shall a student open or prop any door on campus for any other person. Staff is expected to question people in the building whom they do not recognize and who are not wearing building badges.

CUM LAUDE HONORS

HONOR LEVEL	UNWEIGHTED GPA ^a .	OTHER REQUIREMENT
Summa Cum Laude	3.90 - 4.0	Academic Rigor Score of 30+ ^b .
		OR 4+ credit career-technical program ^c .
Magna Cum Laude	3.75 - 4.0	Academic Rigor Score of 15+ ^b .

Cum Laude	3.50 - 4.0	None

^a. Cumulative GPA will be calculated at the end of the first semester and will include midterm grades for all year Senior classes and final grades for first semester classes. GPA will be rounded to the nearest hundredth.

^b. Academic Rigor Score - multiply number of AP Courses times 7.5; add that number to CCP credit hours. No CCP course that causes a student to go over the 30 credit hour limit per year will be counted towards Academic Rigor score. Students using Senior year second semester courses to count towards rigor points will be asked to provide a midterm or 3rd nine weeks grade to demonstrate evidence of passing.

^c Students must be in an organized and sequential four or more credit career-technical workforce development program. This does not include Family & Consumer Sciences, which focuses on general life skills, or Career Based Intervention (CBI), which focuses on general work skills and employability.

VALEDICTORIAN & SALUTATORIAN RECOGNITION

To be honored at graduation as a Valedictorian or Salutatorian, a student must be enrolled at Sandy Valley at the beginning of their Junior year of high school.

Tiebreakers

- I. Level of Cum Laude Honor- if there is more than one student at the highest level, proceed to Tiebreaker II
 - II. ACT composite score of 30 (or SAT equivalent) and higher
 - III. ACT composite score of 27 (or SAT equivalent) and higher
 - IV. Highest ACT (or SAT equivalent) score
- For purposes of tiebreakers, only ACT (or SAT) scores received within 1 week of the end of the 1st semester. No superscoring is recognized for composite purposes.
 - The student who wins the tiebreaker will be the Valedictorian. The next student will be the Salutatorian.
 - If two or more students tie for first, then there will be co-Valedictorians and no Salutatorian.
 - If there is one Valedictorian and two or more students tie for second, then there will be co-Salutatorians.
 - Rank will no longer be listed on transcripts. Students can be provided with a general percentile (top 10% top 25%, etc.) if a scholarship or college application requires it.

AUDITING A CLASS

A class taken as an “audit” appears on the students' transcript showing no grade or credit. Students must request and receive administrative approval to audit a class. Contact school counselors for requirements and deadlines.

CLASS/SCHEDULE CHANGES

Once students make out their schedules, they are expected to follow through with all selected and assigned classes. Schedule changes are only permitted where special problems occur. The only reason a student may go from a regular class to a digital version is because they have a conflict in their schedule. Considerable time and effort goes into creating a master schedule and determining staffing levels based on student requests. Therefore, it is crucial that students and their parents put thought into selecting courses that they are truly interested in and are committed to taking. Schedule changes are very disruptive to the learning process and will NOT be made next year except in extreme circumstances, i.e. scheduling error, blank spot in schedule, prerequisite not met. What a student selects when meeting with a counselor is what the student is expected to take- please talk to teachers and read course descriptions to make an informed decision. All necessary schedule changes must be made during the first five (5) days of the school year. Second semester changes must be made during the first five (5) days of class. After such time, students will receive a Withdrawn Failing (WF) and the course will be counted as a failure when calculating their total grade point average. Students are required to maintain a minimum of 5.75 credits each grading period throughout the school year. Dual credit courses may have more restrictive drop policies according to the schedule of the college.

Exceptions may be:

- a. Changing from one major course of study to another is open for discussion (i.e. academic to vocational).
- b. Students involved in Special Education programs.
- c. Extenuating circumstances by administrative approval

Students dropped from courses as a result of disciplinary action and/or insufficient attendance will not receive credit for the course. Grade reports will be marked as Withdrawn Failing (WF). Course fees will not be refunded as a result of removal from class for disciplinary reasons.

COLLEGE OPTIONS

ADVANCED PLACEMENT (AP)

Advanced Placement courses are rigorous and are appropriate for high-achieving students. Students registering for an AP course must complete a registration form and meet the minimum requirements. AP courses require a minimum cumulative GPA of 3.25 and/or a subject-area GPA of 3.25. All students enrolled in AP are required to take the AP Each AP test typically costs approximately \$50; however, students on free or reduced lunch may qualify for state or federal reductions. Students can earn college credit through performance on AP Exams. Typically, a 3 or higher qualifies a student for college credit, however it is up to the receiving college or university how it awards credit.

COLLEGE CREDIT PLUS (CCP)

College Credit Plus, On-Campus at Sandy Valley

College Credit Plus courses are classes in which students may earn both high school and college credit simultaneously. Sandy Valley teachers who have been approved by local colleges for adjunct professor status teach these classes. These courses are taught at the high school during the school day. The classes follow a college syllabus, which meets both college curriculum goals and high school graduation standards. Students must meet the college's entrance guidelines to qualify for CCP.

Failure and/or withdrawal from these classes may result in financial obligations for students and parents. Students MUST follow the college's schedule for dropping courses. Please see a counselor or visit tinyurl.com/svguidance > Academics > College Credit Plus for more details.

College Credit Plus, Off-Campus at a College or University

Students have the option of earning credit towards high school graduation as well as college credit by attending a local college on a full or part time basis at no tuition cost to the student or his/her parents. Students must meet the acceptance criteria of the college. Grades earned via this option become part of the student's high school transcript. The counseling department holds an annual meeting in February explaining this program. Interested students and their parents MUST meet with a counselor and sign an interest agreement before March 31 prior to the year they would like to participate.

Failure and/or withdrawal from an off-campus College Credit Plus class will result in you or your parents receiving a bill for the full tuition of the course. You **MUST** follow the college's schedule for dropping courses. Please see a counselor or visit tinyurl.com/svguidance > **Academics** > **College Credit Plus** for more details.

HONOR / MERIT ROLL

1. At the end of each nine weeks grading period students with a GPA:
 - a. 3.5 or better will qualify for the HONOR ROLL.
 - b. 3.2 to 3.49 will qualify for the MERIT ROLL.
 - c. An improvement of 0.5 from the previous 9 wk. will qualify students for VIP recognition.
2. Students will not receive honor or merit roll if any grade is an "F".

ELIGIBILITY (ATHLETIC) ***OHSAA Bylaws for Students in Grades 7–12***

Please familiarize yourself with the following OHSAA Bylaws:

- All beginning seventh graders are eligible insofar as the scholarship bylaw.
- All beginning ninth graders must have passed five subjects in which enrolled the immediately preceding grading period.
- Eligibility for each grading period is determined by grades received the preceding grading period.
- Grades 9 – 12: To be eligible, a student-athlete must be currently enrolled in a member school and have received passing grades in a minimum of five one-credit courses, or the equivalent, in the immediately preceding grading period.
- Grades 7 – 8: To be eligible, a student-athlete must be currently enrolled in a member school and have received passing grades in five subjects in which enrolled the immediately preceding grading period.
- For eligibility, summer school grades may not be used to substitute for failing grades received in the final grading period of the regular school year or for lack of enough courses taken the preceding grading period.
- Any athlete taking off-campus College Credit Plus classes must meet with a counselor, prior to enrolling in those classes, to ensure eligibility.

Any student who does not maintain the standards established by the OHSAA will be ineligible the following grading period.

****Any student grades 6-12, who participate in any extra-curricular activity at Sandy Valley, will be subject to a random drug screening.**

Open Enrollment

Once your eligibility is established at a high school, a transfer to a different high school will mean you will lose eligibility for interscholastic athletics at your new school. For the specifics on the period of ineligibility, visit OHSAA.org.

- If you are new to this school as a transfer student, all required paperwork must be submitted to the OHSAA, and the state office must grant approval for eligibility. Immediate eligibility will be granted only if one of the exceptions to the OHSAA transfer regulation has been met or you have not participated in the sport within the past 12 months.
- To see if you qualify for an exception, you and your parents should arrange a meeting with your principal or athletic administrator

SUMMER SCHOOL

A student may not take for credit any subject in summer school unless he/she has previously taken the course or is behind in credits toward graduation. (The only exception to this rule is physical education.) Under extenuating circumstances permission to take a course may be granted by administration.

COURSE FEES

Course fees will no longer be collected—with the exception of Advanced Placement exam fees—for the current year, however it is the financial responsibility of families to pay any remaining outstanding fees.

ATTENDANCE POLICY

ATTENDANCE PHILOSOPHY

All students are required to be in regular attendance except when excluded by law. The following reasons are recognized by Ohio law as being valid for absence from school: **Personal illness, illness in the family, quarantine of the home, death of a relative, emergencies due to absence of parents or guardian, observance of religious holidays, emergencies or set of circumstances which constitute good and sufficient cause.** All other absences will be considered **unexcused** unless previous notification has been given in accordance with school procedure for excused absences. Excessive absences in a class may result in a grade reduction at the discretion of the administration. Summer school may be recommended for students to receive credit. **If you are absent due to quarantine, you will have the same amount of days that you were absent to complete the assigned work before it will be teacher discretion.**

After **65 hours** missed, all student absences will require a MEDICAL note stating that the student is too sick to be in school or the absence will be marked “UNEXCUSED.” **A parent call off will NOT be accepted for future absences.**

TRUANCY/TRUANCY MEDIATION

Unexcused absence (Truancy) from school is unacceptable. Students who are truant will receive no credit for schoolwork that is missed.

Chronic Truancy is a Delinquent Offense (ORC 2131.02)

When a student accumulates or displays an abundance of hours missed a mediation conference will be held. The mediation hearing will consist of the school truancy officer, the parents, the student, a counselor, and an administrator. The goal of this mediation is to devise a plan to improve student attendance. A signed attendance contract will be agreed upon by all parties involved. After this mediation meeting, student attendance will be monitored. The school will follow the Ohio Revised Code truancy laws, which could result in the filing of truancy charges against the parent and/or student at the appropriate county of residence.

Per Ohio Revised Code, TRUANCY charges will be filed with the county juvenile court system when one of the following three situations occurs:

1. When 30 **consecutive** hours of unexcused absence have occurred.
2. When 42 hours of unexcused absence have occurred in a month.
3. When 72 hours of unexcused absence have occurred within a school year.

UNEXCUSED ABSENCES

These are examples of unexcused absences:

1. Baby sitting in non-emergency situation
2. Running non-emergency errands
3. Staying out of school an unnecessary length of time because of doctor's appointment, job interview, or driver's license exam, or other early dismissal.
4. Routine farm work
5. Out of town unless this is **approved in advance** as "vacation"
6. Transportation of family member in a non-emergency situation
7. Home repairs in non-emergency situations
8. Car trouble or making repairs on one's own or anyone else's car
9. Oversleeping, missing the bus
10. Hunting
11. Unapproved vacation

By Ohio Law, the school is also required to attempt to notify a student's parents, custodial parent, guardian, legal custodian, or other person responsible for the student, regardless of age, when the student is absent from school.

EXCUSED ABSENCES

These are examples of **excused** absences:

1. Personal illness: the school may require an official note from a physician if deemed advisable & if illness is excessive
2. Quarantine of the home
3. Death of a relative
4. Emergencies due to absence of parents or guardians
5. Religious holidays

6. Vacation days (If properly approved through the main office.)
(SEE VACATION POLICY)
7. Emergency or set of circumstances which in the judgment of the principal constitutes a good and sufficient cause for absence from school including:
 - a. Legal consultation that can only be scheduled during school hours or court.
 - b. Driver's test - day (1 per yr)
 - c. Job interview - maximum - day (firm interview, not job search/approved by the office)
 - d. Funeral of family members, friends, neighbors, etc.
 - e. College visitation - approved in advance by counselor

PROCEDURE IF A STUDENT IS ABSENT

Parent/Guardian Must Contact the School when a child is ABSENT.

1. Parent should call 866-2366 or contact the school (by 10:00 AM on the day of the absence, if possible)
2. For an "Excused Absence," the student must meet the criteria/reason for the excused absence.
3. Parents must contact the school if there is a sick child or possible communicable disease in the household.

***An *Unexcused absence* indicates the student will receive a grade of "F" if the work is made up, not a ZERO. There may also be some additional grade penalty due to the lost opportunity for class participation.

TARDY TO SCHOOL

Students are expected to be punctual. Students who are repeatedly tardy will be subject to disciplinary action. A student is counted "Tardy to School" if he/she has not reported to first period class by 7:32.

ALL EXTRA-CURRICULAR AND CO-CURRICULAR STUDENTS MUST BE IN ATTENDANCE BY 8:30 OR HAVE A DOCTORS NOTE TO PARTICIPATE THAT DAY (GAME OR PRACTICE).

Tardy: 7:33—8:17 am

Absence: Missing 20 or more minutes of class time will count as class absence.

***All time missed due to being tardy to school will accumulate towards Ohio Revised Code Truancy law.**

EARLY DISMISSALS

If compelling circumstances require that a student be dismissed before the end of the school day, the student must submit (in AM-before leaving) a note signed by the parent stating the reason and time for the dismissal. Some verification from the appointment must be presented with the parent's note before the dismissal or immediately upon return from the appointment. Early dismissals are considered an absence for classes that are missed! Early dismissals for medical reasons will be taken into consideration for perfect attendance.

The school may make phone calls to verify the need for the early dismissal. Students who become ill during the day will not be released from school unless a parent or other responsible adult is contacted and gives permission. Students who are sick are to use the office phone to call home. This applies to all students regardless of age.

Illnesses

Students are not permitted to use cell phones to contact home if they are sick. They need to first go to the school nurse and then the parents will be contacted if needed. If students contact parents without the permission of the office then they may be subject to disciplinary actions.

LEAVING CLASS WITHOUT PERMISSION

If a student leaves class without permission, she/he will receive disciplinary action as follows:

1 st	DRA (less than 24 hours)
2 nd	1 day DRA
3 rd	3 days DRA

COUNTY FAIRS

Students are not excused to attend a county fair unless they are exhibiting or participating in fair activities. They must present a written notice from fair officials or activity sponsors. This is considered an educational experience countywide and students will be excused for these activities. Students must make up any missed schoolwork to earn credit.

COLLEGE VISITATIONS

College bound juniors and seniors are urged to visit colleges and are permitted two visits per year, **scheduled in advance** through the guidance counselors. Students are required to do all make up work for classes missed.

EFFECT OF ABSENCE ON EXTRA-CURRICULAR ACTIVITIES

Students who are absent from school for all of the day will not be permitted to participate in or attend any extra-curricular activity or school sponsored event that takes place on the day of absence. This rule will not apply to those students who have an approved early dismissal or prior approval for missing the day. Violation of this rule will result in disciplinary action, which could include ejection from the activity or event, or sport.

JOB INTERVIEWS

Students are excused for job interviews if these are scheduled in advance through the guidance office or an administrator. Excused absences are only for "formal" job interviews and not for job search or submission of application.

VACATION

Sandy Valley Schools do not encourage student vacations during the school year. Family vacations should be planned, whenever possible, so as not to affect the education of the children. We know, however, that families do not always have control in choosing the dates for vacations. We are requesting at least a five day notice and approval by administration for vacation leave. This may be taken at once or may be in two separate vacations. Students will not be excused for more than two vacations during the school year. Vacation absences will be considered excused if the correct procedure is followed.

The student's parent or guardian must submit a written request for vacation to the building principal well in advance of the vacation. If advance notice is not given to the school, the vacation will be considered unexcused. Students will be permitted to vacation with their parent, relative, or parent of a friend, if written the parent or guardian gives permission.

Each teacher will determine how much of the missed work the student will need to make up. The teacher will assist the student

by giving the student general information about the upcoming lessons so that the student will be able to understand what content could be missed. It is the responsibility of the student and parent to see that all required missed work is made up in a timely manner and, if necessary, to secure a tutor paid for by the parents. Although teachers will assist the student in catching up on missed work, it will not be possible for teachers to provide individualized instruction for each student. *This policy shall not include the last week when semester or final exams are given.

Vacations may not be taken during semester or final exams!

Students are expected to be in attendance during exams.
Students will receive a grade of "F" for any missed exam.
Students may not take their Exams early! Make up time is available for students in case of illness only.

STUDENT CODE OF CONDUCT

POLICY ON DISCIPLINE

The business of school is education, which can best take place in an orderly, disciplined atmosphere. The primary responsibility of student behavior lies with the student. Parents, teachers, and administrators have a responsibility to provide an atmosphere of order and discipline in the school that will develop and increase the child's growth in social, academic, and emotional areas.

STUDENT RIGHTS AND RESPONSIBILITIES

The privileges and rights of all students shall be guaranteed without regard to race, religion, sex, creed or national origin.

Students have the right to due process procedures in matters of suspension and expulsion.

No student shall interrupt the process of education within the school.

STUDENT DISCIPLINE

The exercise of self-control, self-discipline, and self-direction are essential to positive school behavior and future success. To this end, each pupil must be responsible for his/her own behavior and must respect the rights of others.

In order to provide a positive, efficient and safe school, a certain level of student discipline is necessary. With respect to student discipline, Sandy Valley does not permit violent, disruptive or inappropriate behavior by its students. The student conduct code

provides a guide, which will enable our students to learn good citizenship, to have respect for the rights of others, and to be part of an academic atmosphere that is conducive to student learning. To help ensure this environment, the following offenses may lead to the probable corrective action which may include, but not limited to, detentions, Friday school, loss of privileges, and loss of participation, bus suspension, emergency removal, out-of-school suspension, or expulsion.

ADMINISTRATIVE USE OF ALCOHOL BREATHALYZERS

The administration holds the right to test students for alcohol use at any point which seems necessary. This may include school dances, or any other extracurricular activity. Also this action may be taken during the school day if there is any suspicion of alcohol use. Those students who are caught under the influence of alcohol are subject to school discipline as well as legal action.

ADMINISTRATIVE USE OF METAL DETECTORS

The administration holds the right to metal detect students at any point which seems necessary. This may include school dances, or any other extracurricular activity. Also this action may be taken during the school day if there is any suspicion.

CRITERIA FOR CORRECTIVE ACTION

Any action or behavior judged by school officials to be inappropriate in a school setting and not specifically mentioned in other sections shall be in violation of the Student Conduct Code. These student rules, violations and consequences are general in nature. The administration reserves the right to use its discretion in enforcing the rules and consequences. Due to a broad range of behaviors, mitigating circumstances, and a sincere desire to modify misbehavior rather than simply assign predetermined consequences, the administration will use discretion as it sees fit. Extracurricular and co-curricular activities have rules and regulations in addition to those listed in this handbook. Violation of school rules or of those rules particular to an activity may result in loss of participation.

The following criteria will be considered when determining the appropriate corrective action for infractions or the student conduct code. Disciplinary action will be taken on an individual basis by the administration.

1. Circumstances surrounding the incident or violation
2. Minor or major infraction of school rules
3. Frequency of infractions
