

Dreaming of the day with no financial stress? With FinPath, we can help you achieve your goals with our <u>confidential</u>, no-cost sessions.

## What is a Financial Coach?

Financial Coaches work with you every step of the way toward financial self-discovery so you can focus more on your family and spend less time on your wallet.

They help identify your financial goals, develop a plan of action, and keep track of your success with each session.

Most importantly, coaching sessions are provided at no cost to you.

## We can address topics like:

- Tackling your debt
- Understanding your credit
- Creating a budget that sticks
- Facing your student loans
- Working toward a debt-free life

## Financial Coaches help:

Create a livable budget

Reduce your debt

Improve your credit

Optimize cash flow
