The 1976 APPALACHIAN is dedicated to one who is admired by many at Maryville High School and respected by all.

As National Honor Society and Junior Sponsor, she is deeply involved in student affairs. She is genuinely concerned with the intellectual and moral welfare of each and every student that she teaches. Sometimes armed with a stern reprimand, but always with a genial smile, she continues undaunted through the endless setbacks and disappointments encountered from day to day as a Maryville High School American History teacher.

The 1976 APPALACHIAN staff recognizes Mrs. Mary Barth, in appreciation of her years of unselfish devotion to the students at MHS.

WE'VE ONLY JUST BEGUN

We've only just begun to live,
White lace and promises,
A kiss for luck and we're on our way.

Before the rising sun we fly,
So many roads to choose,
We start out walking and learn to run.

And yes, And yes, We've Just Begun
Sharing horizons that are new to us,
Watching the signs along the way.
Talking it over just the two of us,
Working together day to day, together.

And when the evening comes we smile,
So much of life ahead,
We'll find a place where there's room to grow.

And yes, We've Just Begun.

Beginnings. . .

Even though we encounter many obstacles throughout our lives, we continue forward to attain those goals so very important to each of us. Each unfamiliar situation promises a new beginning that offers a second chance.

When we began high school, we discovered many novel and perhaps frightening sights, but we overcame those fears and soon began to warmly respect ol' MHS. Both teachers and students became deeply involved with each other, and many lasting friendships developed. Those of us who will not be returning to MHS will have our own beginnings elsewhere. We may enter a different school, only to find new friendships, meet new teachers, and begin new lives.

By making the theme of the 1976 APPALACHIAN, Beginnings, we hope to convey the true importance of this concept through pictures and our own thoughts and feelings.

"Chansons"

Tenderly caressing a fragile shrub,
A latent zephyr passes through;

Darting in and out among the leaves of new green,
The breeze sings a song familiar to all.

The name of the song? No one can tell.
Or perhaps it has no name, as we know it.

Filled with spirit and emotion, it's experienced by many;
Recalled unfortunately, by only a few.

The 1975-76 Rebel varsity basketball squad has shown outstanding ability. Led by Seniors, Mark Maness, Doug Sharp, Danny Travis, Greg Long, and Mike Stuart, the team captured impressive victories, such as those over arch-rival Alcoa and Everett. Coach Jim Campbell has guided the team not only in their playing ability, but also in their good sportsmanship. Congratulations, Rebels, for all your hard work.

DRUM MAJOR: Jeff Ballew

The MHS Red Rebel Marching Band, under the direction of Mr. Ed Bilbrey and Drum Major Jeff Ballew, had a very full year this year. This year, in preparation for the Bicentennial Celebration, a Fife and Drum Corps was formed, which added a special touch to the band's performance. We commend you for your hard work.

The Daughters of American Revolution Award represents good citizenship. It is attributed to the girl who the Senior class feels best displays the qualities of a good citizen. The faculty and class of 1976 has selected Cindy Armfield who has actively participated in not only school activities but in many community activities as well. It is our best wish that she will continue the fine example she has set.

Dear Folks,

I want to say it is one of the most fantastic years I have ever lived. Everyone has been very kind and I hope for all of us it has been a nice experience. I enjoyed particularly football while I was in the band, and the other sports too. You're welcome to come and see me but not all at the same time please. Bye.
