

Now Hiring

Teachers and Substitute Teachers

Qualifications

Category I Teacher: Applicant must have completed a minimum of 60 semester units of college-level work and hold or qualify for a valid California Child Development Teacher Permit.

Salary: \$20.11 an hour in a day-to-day assignment, \$24.12 an hour in a long-term assignment.

Category II Teacher: Applicant must have completed a minimum of 28 semester units of college level work and 16 of these units must be general education and 12 must be ECE or Child Development units (including the 3 core areas) and hold or qualify for a valid California Child Development Associate Teacher Permit.

Salary: \$17.50 an hour in a day-to-day assignment. This category is not eligible for a long-term substitute assignment.

CDC Core Values

We believe when children play, they learn. Our learning environments facilitate a hands-on approach, allowing children to investigate, explore, ask questions, and learn at their own pace. Teachers utilize diverse teaching strategies to challenge and engage all children. We believe parents are our partners and together our goal is to ensure children are healthy, happy and safe.

We invite you to join our team of passionate, caring and hard-working professionals.

Call the Child Development Office to request an application.
