2. Did your child attend a Preschool/Daycare program in 2022-23? _____
(If no, skip to #3)

If so, please provide us with the following information:

5. Please describe any academic/social/behavioral needs that you would like us to take into consideration when we place your child.

6. Do you think your child will have separation anxiety? _____

7. Please describe the type of learning environment and teacher traits you see your child being most likely to experience success. We will not take teacher requests because we consider many different factors as we work hard to balance classrooms.

9. Please note and explain any other important information that you would like us to take into consideration.
