Our School Mission

Victory Charter School's mission is to develop students who are competent, confident, productive and responsible young adults who possess the habits, skills and attitudes to succeed in life.

The Harbor Method

The Harbor Method is a whole school approach designed to educate children to be capable and caring graduates ready for the next level of their education.

PARENT INVOLVEMENT

The 2023-2024 Wellness Policy Progress Report has been approved by the school's governing board after a public review & comment period for those interested earlier this fall. The report can be found on the school's website under the Parent/Student Resources tab.

If you know of family and friends who would like their children to attend one of Nampa's Harbor Schools, of which Victory is one, please share with them the attached annual school lottery announcement for 2024. April 17, 2024, is the deadline for parents and guardians to sign up their children for the annual lotteries for the Liberty, Victory, and Legacy Charter School Districts. Each school district's lottery will determine its 2024-2025 waiting lists. These school districts will hold their lotteries on April 24.

Please remember, if your address changes at any point in the school year, please notify the school's front office so we can keep our records up to date. Thank you.
