School Highlights

L. W. Conder Elementary School continues a legacy of excellence and the distinction of being the only arts magnet school in Richland School District Two. Our students are BRIGHT; Bold, Respectful and Responsible, Intelligent, Gifted, Honest, and Thoughtful team players.

In collaboration with the South Carolina Arts Commission and the State Department of Education Distinguished Arts Program (DAP), Conder teachers participate in intensive and on-going professional development in arts integration. Teachers integrate the arts into the core curriculum (math, ELA, science, and social studies). Teachers, students, and parents participated in on-site and off-site arts -related activities such as concerts, musical and dance productions, and art shows. Our primary goals are improving academics and strengthening community/school relations. L. W. Conder Elementary is a whole school magnet with a focus on arts integration.

Richland School District Two does not discriminate on the basis of race, color, religion, national origin, sex, disability, age, or other protected characteristic in its programs and activities.
