

July 14, 2021

Good Morning, Watertown-Mayer families,

I am writing to let you know that Watertown-Mayer will have an online learning option for those students and families who are interested.

We are happy to partner with Southwest Metro Intermediate District to provide this robust learning option in our district. The SEE (SW Metro e-Learning Enterprise) Team is gathering data on student needs in Watertown-Mayer and other districts to expand the current available curriculum.

Students in grades K- 12 can pursue full-time academic status through distance learning all while still being a Watertown-Mayer student. Additionally, high school students will have the opportunity to earn their high school diploma online, take more robust or stimulating elective courses outside of their regular requirements, fulfill credit recovery due to any number or personal circumstances or take Career and Technical Classes to get a head start on a chosen career path.

We are gathering interest in this learning option to better assess the needs and wants of our students and families. Please scan the QR code below or go to:

https://swmetro.formstack.com/forms/elearning_enterprise_fall_2021

Choose Watertown-Mayer as your resident district. Filling out this survey does not obligate you to participate.

If you have any questions about this online learning option, please do not hesitate to contact our district office at 952-955-0480.

Yours in education,

Darren Schuler
Superintendent

1001 Hwy 25 NW
Watertown, MN 55388
