

Dear Coaches,

The Royals Booster Club will contribute up to \$100 to go towards reimbursement for events involving the student athletes and their parents, such as Parent's Night or the end-of-season banquet.

Below please find a form to pass along to one team parent who might be helping in organizing these types of events for your sport. We ask for one person to submit receipts all at one time for proof of purchase(s) and ask that copies are made of these receipts to be kept until reimbursement is received. One check will be cut to the person submitting the receipt(s). This reimbursement applies to all sports hosted by Watertown-Mayer.

We also ask that this person submit the below form to the Royals Booster Club address:

Royals Booster Club
Attn: Booster Club Treasurer
P.O. Box 812
Watertown, MN 55388

We take pride in knowing that we are helping to support our athletic teams and their parents in this way and thank you as coaches in communicating this to your assigned person and for your time and commitment to your team!

Please feel free to contact our President, Carol Thurston at 952-250-4099, if you have any questions or concerns.

Sincerely,
Royals Booster Club
