FALCON

Yearbook of
MAPLETON HIGH SCHOOL
Denver, Colorado

FOREWORD

As the school year passes, we pause to catch a final glimpse of everything we have done. Our classmates, friends, and teachers have all played a part in this school term.

We have attempted to preserve the memories through word and picture. You, the students of Mapleton High School made it; you lived it. Here it is--the 1960 FALCON.

The Annual Staff
1959-1960

OUR SCHOOL BOARD

LEFT TO RIGHT: Mr. Robert Butz, Mr. John Rosa, Mr. Paul Nowels, Mr. Gosper Ferrero, Mr. Ernie Keefe, and Mr. Philip Baiamonte.

Our sincerest appreciation to our School Board for a "job well done" in the school year of 1959-60.

The Staff

AUTOGRAPHS

The yearbook staff of Mapleton High School speaking for the entire student body wish to extend to the residents of District No. 1 our thanks and deep appreciation for the new school and equipment you have made possible.

As a token of our appreciation for your unceasing efforts, sacrifices and many kindnesses, the staff of 1960 dedicates to you the 1960 Falcon.

ADMINISTRATION AND FACULTY

Assistant Superintendent

George DiTirro
Counselor

As our first year together draws to a close, I cannot help but reflect on the many events that have taken place. In weighing the good and the bad, the happy times and bad times, I have a feeling of great satisfaction for what you students have accomplished. You have made much progress towards making our school one of the best in the metropolitan area. For those returning, let us keep in mind that we must continue to make Mapleton High School the best of all the high schools.

To you seniors, I offer my sincere congratulations. Keep in mind that every living day is a day in which something can be learned. For some of you, the days of formal education are over; for others, graduation is but one step toward higher education. No matter which road you follow through your adult life, I hope you will always look upon Mapleton High School with great favor and pride.

Sincerely,

James J. Jones
