How do I find my provider online?

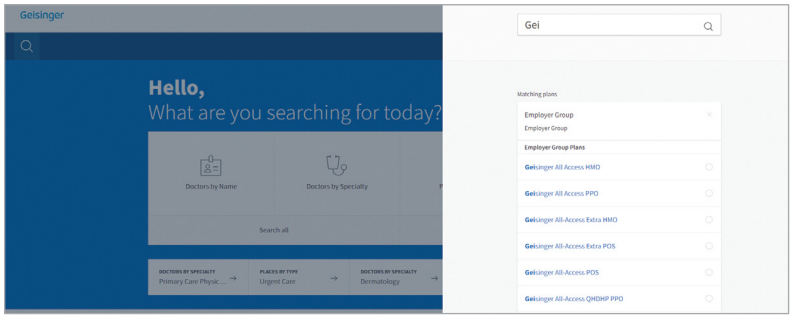

1. Go to **GeisingerHealthPlan.com/ProviderSearch**.

2. Enter your search location. For this example, we used Danville, PA.

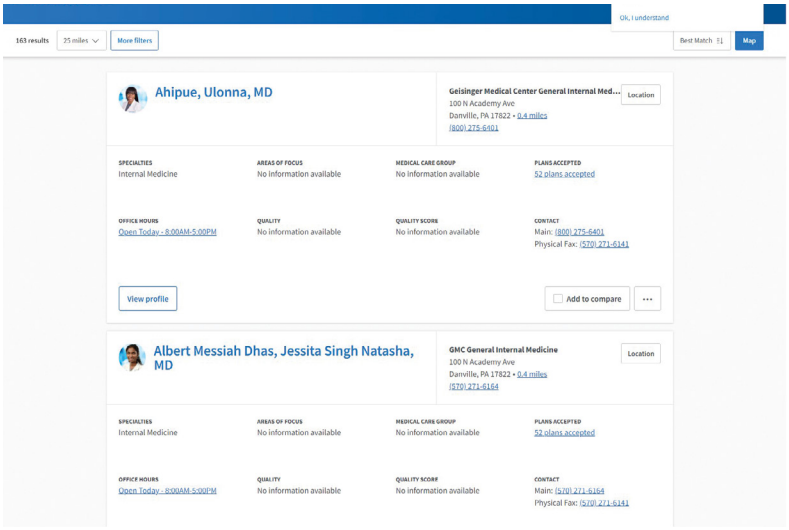

3. Click on *All Plans* and enter your plan name. Then search doctors by name or by specialty, or places by name or by type. For this example, we used *Doctors by Specialty*.

4. For this example, we searched for primary care. Now you can choose a provider!

Note: If you select a plan in the Choices network, you will be able to filter between Tier 1 and Tier 2 providers. The tier is also noted next to the provider name.
