Texas Academic Performance Report

The Texas Academic Performance Report (TAPR) pulls together a wide range of information on the performance of students in each school and district in Texas annually. This report also provides extensive information on district staff, programs, and student demographics.

The Texas Academic Performance Report was previously known as the Academic Excellence Indicator System (AEIS) Report. These reports were published from 1990-91 to 2011-12.

Presently the TAPR may be found at:

- Roma ISD district website under Parent/Public Resources—here you will find the district and each campus information
- Central Office Staff all have a hard copy
- Roma Public Library
- Each campus has their own section in their campus websites
- Each campus also has a complete district hard copy of this report available for the public
- School Report Card-Letters have been sent home in both English and Spanish with a brief explanation to parents of the campus status

Now I will present this report to you all formally and briefly with the most important part which is student learning/student performance—some of what you are about to hear you have been hearing throughout other presentations.

Thank You for your time!!!!!!!!!!
