# **SUPERINTENDENT'S MESSAGE**

The Roma Independent School District has focused on assuring that all educational programs provided by our schools will be at a level of quality that will prepare our students to be successful in this new century and be productive contributors to their society, as well as, becoming life-long learners. The demands that are imposed on today's schools no longer focus on teaching information, but rather to be able to research, assess its value, and apply it accordingly. The District Educational Improvement Council, with assistance from the many talented teachers and non-teaching professionals from all campuses, has given emphasis to the development of a district improvement plan that supports the idea that all our students will be career or college ready. Roma ISD is committed to utilize all its resources to ensure that this goal is achievable and attainable for all of our students.

The District Educational Improvement Council is to be commended for its fine efforts in developing this District Improvement Plan. They have focused on thoughtfully planning and setting goals that will greatly impact all our educational programs. The inclusion of services for all students, regardless of special population classifications, truly attests to the District's belief of quality and equity in education. Through its work, the DEIC has charted the path by which our District will guide its programs. Furthermore, this plan shall provide to all campuses guidance in their efforts to develop and/or modify their respective campus improvement plans.

In presenting the District Improvement Plan to the Roma Independent School District Board of Trustees, Roma ISD commits to seeking a superior achievement of student excellence. The future holds successes that will be a direct result of the support of the Board and the teamwork that has been instilled among all stakeholders. This plan strengthens this commitment by allowing administrators, teachers, students, and parents to become active partners in education.

**Carlos Guzmán, Superintendent**

**ROMA INDEPENDENT SCHOOL DISTRICT**  
**District Improvement Plan**  
**Long-Range Goals: 2018-2023**

<b>Indicator</b>	<b>Goal</b>
<b>Curriculum</b>	By 2023, the District will review and upgrade its curriculum, due to the STAAR and EOC assessments and the upcoming 2018 Accountability changes, both horizontally and vertically, with an appropriate scope and sequence under the deep alignment concept (the written curriculum, the taught curriculum, and the tested curriculum). The staff will continue the use of Professional Learning Communities to assist in our own Profession Development and they will be well versed in the development of Rigorous Assessments and Monitoring. Staff development will focus on the areas of Math, English Language Arts, specifically with and emphasis in Writing, and Science.
<b>Student Performance Data</b>	By 2023, all students will meet or exceed the academic standards for a MET STANDARD rating for the District set forth by the state's Texas Academic Performance Report under the STAAR Assessments.
<b>Student Populations</b>	By 2023, the District will continue to recognize all special populations, enhance the existing programs which provide services to these children, and develop additional ones to meet the new and emerging trends, as well as to assure equity and quality of services for all its students, especially with the introduction of ESSA.
<b>Support Structure</b>	By 2023, the District will assure that its support structure has contributed to the development and maintenance of an educational program that will provide safe and appropriate settings for students and staff, state-of-the-art equipment and technology, sufficient supplies and materials, highly qualified staff, continuous professional development training, enhance the T-TESS and SLO (Student Learning Objectives) system, an increased focus on parental engagement, and ensure the process for participation in decision-making by all of its members.
<b>Technology</b>	By 2023, integration of technology into the instructional program focus on the need to support our current technology level, as well as, continued support of local and wide area networks, wireless networks, and improving Internet connectivity for all campuses, all aimed at improving the quality of staff development practices, expanding the boundaries of teaching and learning capabilities for teachers and students, exposing our students to the most current information and practices available, establishing a coherent sequence of course contents aligned to the Technology Application TEKS across all grade levels, and assuring that the quality education offered to our students is competitive and superior to others.

## **Comprehensive Needs Assessment Survey Results**

### **February 2018**

Roma Independent School District's top priority is student excellence. Our responsibility is to graduate students who have the necessary skills and are ready to take on the challenge to become members of the work force, attend and graduate from a university or trade school, or serve their country by enlisting in any of the five armed service branches. We therefore, conduct an annual Comprehensive Needs Assessment (CNA) that identifies our strengths and weaknesses. All teachers complete this assessment.

Roma ISD conducted its annual survey of the Comprehensive Needs Assessment from January 22<sup>nd</sup>, 2018 to February 16<sup>th</sup>, 2018. Campus administration made surveys available to the professional staff for their input. The staff participation rate in the survey was as follows:

<b>Campus</b>	<b>Surveys Submitted</b>
Roma High School (001)	105
Instruction and Guidance School (002)	6
Roma Middle School (041)	47
Ramiro Barrera School (042)	49
Y B Escobar Elementary(101)	31
F J Scott Elementary (103)	38
R T Barrera Elementary(105)	30
Emma Vera Elementary (106)	35
R C Saenz Elementary(108)	38
Veterans Memorial Elementary (109)	43
<b>District</b>	<b>422</b>

The campus average and ratings for the Comprehensive Needs Assessment are found below. Each indicators has different sub-indicators that are rating on a scale from one to five points. The surveys were tabulated and the district results are presented below.

<b>Over All District Rating</b>	<b>4.76</b>	<b>High</b>

#### District Needs Assessment Rating

4.50-5.00	High
4.0-4.49	Above Average
3.0-3.99	Average
2.0-2.9	Below Average
1.00-1.99	Low

The overall average for this year increased .8 points from last year 4.68; the district rating continues to be rated as High. Last year's lowest area was Staff Quality/Professional Development with an average of 4.47 and this year the average increased to 4.60, up 1.3 points. The area of concern this year continues to be Staff Quality.

The CNA identifies the following strengths and weaknesses for the following indicators: demographics, student achievement, school culture and climate, staff quality/professional development, curriculum & instruction and assessment, family and community involvement, school context and organization and technology.

Below is a summary of the findings.

## I. Demographics

RHS	I&G	RBMS	RMS	RTB	YBE	RCS	FJS	EVE	VME	Average
4.55	5.00	4.82	4.92	5.00	4.97	4.95	5.00	5.00	4.51	4.80

The professional staff gave this section the highest overall rating. They commented that the DMAC system was user friendly program which allows them to easily locate and analyze students' demographic data and state and local test results. They also commented that the PLC meetings allows for time to review student data with peers and campus administrators.

*The entire written comments from this section from all the professions staff is available for viewing at the office of Student Improvement at the Manuel Guerra Building Room 210.*

## II. Student Achievement

RHS	I&G	RBMS	RMS	RTB	YBE	RCS	FJS	EVE	VME	Average
4.42	4.96	4.72	4.90	4.97	4.89	4.97	5.00	5.00	4.51	4.75

This section was again tied for 2nd place rating. Teachers attribute student achievement to several factors: the PLC process that allows teachers to share and analyze student data, read articles that inform them of strategies that other teachers use, allows grade level/ subject area concerns to be resolved; another factor noted was the availability of DMAC that allows staff to have access to student's state and local data in a timely manner which is then used as feedback during the PLC. Teachers did note that the challenge to increase student achievement is an ongoing process and that they would like more time for planning lessons with their grade level team.

### III. School Culture and Climate

RHS	I&G	RBMS	RMS	RTB	YBE	RCS	FJS	EVE	VME	Average
4.42	4.88	4.73	4.86	4.99	4.90	4.97	4.99	5.00	4.50	<b>4.75</b>

This section for the second year, is tied for second highest rating. The professional staff had the following comments concerning School Culture and Climate. Teachers work well together and have the same goals, to provide the students with high expectations and continue to challenge students academically. . Research shows that a place where the adults are seen learning, is also a positive place for students learning. There were remarks that mention less interruptions and more focus on allowing teachers to teach.

### IV. Staff Quality/Professional Development

RHS	I&G	RBMS	RMS	RTB	YBE	RCS	FJS	EVE	VME	Average
4.00	4.44	4.54	4.69	4.66	4.65	4.81	4.95	5.00	3.88	<b>4.47</b>

This section was rated as the lowest for the second year, when compared to the other indicators. The professional staff gave comments that showed that there is a great concern on staff development opportunities, variety of topics and the use of time for planning. They did state that there was plenty of staff development available at the initial start of the school year, but that those opportunities were not available the entire school year, “professional development is always needed”. One teacher stated “we need professional development in the areas of reading, math and science” “Areas of concerns are trainings for classroom time management, integrating technology, and grade-levels professional development on STAAR.

## V. Curriculum & Instruction and Assessment

<b>RHS</b>	<b>I&amp;G</b>	<b>RBMS</b>	<b>RMS</b>	<b>RTB</b>	<b>YBE</b>	<b>RCS</b>	<b>FJS</b>	<b>EVE</b>	<b>VME</b>	<b>Average</b>
4.38	4.74	4.68	4.90	4.94	4.91	4.96	4.99	5.00	4.46	<b>4.72</b>

This section is rated third. Teachers gave comments that the use of DMAC and attending PLC's "helped improve the curriculum alignment and has made an impact" They comment that the curriculum is aligned to the state standards. There are several comments with regard to instructional materials that are needed in the classrooms by the teachers, particularly that they be STAAR aligned. The professional staff wanted more input and training for non-core areas and lower grade levels that are not tested and want administrators make available materials to implement lessons and activities such as read aloud books, decodable books, leveled readers, etc.

*The entire written comments from this section from all the professions staff is available for viewing at the office of Student Improvement at the Manuel Guerra Building Room 210.*

## VI. Family and Community Involvement

<b>RHS</b>	<b>I&amp;G</b>	<b>RBMS</b>	<b>RMS</b>	<b>RTB</b>	<b>YBE</b>	<b>RCS</b>	<b>FJS</b>	<b>EVE</b>	<b>VME</b>	<b>Average</b>
4.14	4.70	4.46	4.89	5.00	4.95	4.94	4.99	5.00	4.65	<b>4.66</b>

This section rated in 5<sup>th</sup> place. One professional staff member stated "we work together with aprents tomove our kids forward". One campus invites parents and community to help plant, weed, and harvest from their vegetable garden. Campuses are continuously exploring ways to involve parents and the community to become involved in our students' learning. Roma ISD continues to use social media to inform parents and community of events and student achievement in academics and extra-curricular activities. However, one teacher states; "communication with parents is crucial during six week exam time. Parents should be advised of upcoming six weeks exam so they can help the teachers with reviews at home".

## VII. School Context and Organization

<b>RHS</b>	<b>I&amp;G</b>	<b>RBMS</b>	<b>RMS</b>	<b>RTB</b>	<b>YBE</b>	<b>RCS</b>	<b>FJS</b>	<b>EVE</b>	<b>VME</b>	<b>Average</b>
4.30	4.86	4.58	4.87	4.78	4.87	4.94	4.99	5.00	4.47	<b>4.67</b>

This section rated in 4<sup>th</sup> place. The professional staff had positive comments about the new playgrounds and fencing around some of the campuses and the high school staff stated that the new roof at their campus will help with the bat problem and gives a new look to their building. Mentioned as concerns: temperature of rooms is not comfortable, continues to be either too cold or too hot, the need to have maintenance on playground equipment was also cited

*The entire written comments from this section from all the professions staff is available for viewing at the office of Student Improvement at the Manuel Guerra Building Room 210.*

## VIII. Technology

<b>RHS</b>	<b>I&amp;G</b>	<b>RBMS</b>	<b>RMS</b>	<b>RTB</b>	<b>YBE</b>	<b>RCS</b>	<b>FJS</b>	<b>EVE</b>	<b>VME</b>	<b>Average</b>
4.20	4.67	4.46	4.51	4.78	4.65	4.85	4.95	4.96	4.58	<b>4.58</b>

This section rated in 6<sup>th</sup> place. The comments of the professional staff stressed that they would like to maintain the technological edge by upgrading and obtaining additional computer hardware and would like to have more professional development in creating lessons integrating the use of the interactive boards and training sessions (online) to integrate new tools and software with their instruction. There were several comments regarding accessibility to mobile devices for students.

# Migrant

## **The Purpose of the Migrant Program:**

- (1) support high-quality and comprehensive educational program for migratory children to help reduce the educational disruptions and other problems that result from repeated moves;**
- (2) ensure that migratory children who move among the States are not penalized in any manner by disparities among the States in curriculum, graduation requirements, and State academic content and student academic achievement standards;**
- (3) ensure that migratory children are provided with appropriate educational services (including supportive services) that address their special needs in a coordinated and efficient manner;**
- (4) ensure that migratory children receive full and appropriate opportunities to meet the same challenging State academic content and student academic achievement standards that all children are expected to meet;**
- (5) design programs to help migratory children overcome educational disruption, cultural and language barriers, social isolation, various health-related problems, and other factors that inhibit the ability of such children to do well in school, and to prepare such children to make a successful transition to postsecondary education or employment; and**
- (6) ensure that migratory children benefit from State and local systemic reforms.**

## Migrant Education Program Title I, Part C

### Priority for Service Plan of Action

**2018-2019**

## Priority for Service (PFS) Action Plan for Migrant Students

As part of the Every Student Succeeds Act (ESSA), the Priority for Service (PFS) Action Plan is a required program activity for the Migrant Education Program. In providing services with funds received under this part, each recipient of such funds shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who are failing, or most at risk of failing, to meet the challenging State academic standards; or have dropped out of school. [§1304 [20 U.S.C. 6394](d)].

The Priority for Service Report on NGS must be used to determine who to serve first and foremost with MEP funds. Students are identified as PFS if they meet the following criteria:

Priority for Service Criteria	
Grades 3-12, Ungraded (UG) or Out of School (OS)	<ul style="list-style-type: none"> <li>Who have made a qualifying move within the previous 1-year period;</li> </ul> <p><u>AND</u></p> <ul style="list-style-type: none"> <li>Have failed one or more of the state assessments (TAKS/STAAR), or were granted a TAKS LEP Postponement, were Absent, Not Tested or were not enrolled in a Texas school during the state assessment testing period for their grade level.</li> </ul>
Grades K-3	<ul style="list-style-type: none"> <li>Who have made a qualifying move within the previous 1-year period;</li> </ul> <p><u>AND</u></p> <ul style="list-style-type: none"> <li>Have been designated LEP in the Student Designation section of the New Generation System (NGS) Supplemental Program Component; <u>or</u></li> <li>For students in grades K-2, who have been retained, or are overage for their current grade level.</li> </ul>

The following document is provided by TEA for districts to help document efforts that are being conducted on behalf of Priority for Service students. It contains all of the required components as described in Part 4 of the ESSA Application in the Provisions and Assurances, but also allows room for districts to add additional activities. Each district's plan must clearly articulate criteria for defining student success, including timelines for achieving stated goals and objectives.

**NOTE:** This document can be obtained electronically in MS Word format from the regional ESC MEP Coordinator.

## Priority for Service (PFS) Action Plan

**School Year: 2017-2018**

<b>Filled Out By:</b> <b>Mary Lou G. Cruz</b>
<b>Date: August 16, 2017</b>

**Note:** Title I, Part C Coordinator or MEP staff will include the PFS Action Plan in the district improvement plan as a separate section appropriately labeled or identified (e.g., “Migrant PFS Action Plan Section”), rather than integrating the action plan elements with other DIP sections that focus on other student population groups (e.g., Bilingual, ESL, economically disadvantage).

<b>Goal(s):</b> <ul style="list-style-type: none"> <li>To provide services for all PFS migrant students to be college ready.</li> <li>Provide intervention for all PFS students to meet the state standards.</li> </ul>	<b>Objective(s):</b> <ul style="list-style-type: none"> <li>100% of Roma High PFS Migrant students will graduate from Roma High in 2017-2018.</li> <li>95% of the PFS students will meet the standards on STAAR in 2018.</li> <li>90% of the PFS students will be on grade level within two years</li> </ul>

## **TITLE I**

### **FAMILY & COMMUNITY ENGAGEMENT POLICY**

**2018-2019**

# **ROMA INDEPENDENT SCHOOL DISTRICT**

## **TITLE I DISTRICT FAMILY & COMMUNITY ENGAGEMENT POLICY**

### **2018-2019**

#### **I. STATEMENT OF PURPOSE**

**ROMA Independent School District** is committed to providing quality education to every student in the district. Partnerships with parents and the community are essential to this goal as neither home nor school can achieve this goal independently. Everyone gains if school and home work together to promote high student achievement. Parents play an important role as children's first teacher and their support is critical to their children's success. Roma Independent School District intends to include parents in all aspects of the district's Title I programs to create a school-home partnership that will promote student success.

Grade level goals for all students in RISD will be distributed to parents with the expectation that *all* students will work toward these goals. RISD recognizes that some students may need the extra assistance of Title I programs to reach these goals and is committed to providing that support.

- The Federal Programs/ Family & Community Engagement Department will work with each campus to bring parents information and training on how to help their child reach their academic goals.

#### **II. FAMILY & COMMUNITY ENGAGEMENT IN DEVELOPING AND REVISING THE POLICY**

A District Parent Advisory Committee (DPAC) consisting of Roma Independent School District parents, staff, and community members will develop the District Family & Community Engagement Policy.

- Convene 1-2 DPAC meetings in the school year to review and update the Family & Community Engagement Policy.

#### **III. ANNUAL TITLE I CAMPUS PARENT MEETINGS**

Roma Independent School District will hold an annual district meeting for Title I parents. This meeting will be held during the fall semester. The purpose of this meeting is to provide parents with information regarding Title I guidelines and all other Federal Programs services and the current District Family & Community Engagement Policy.

The annual meeting will be held in the evening to increase the opportunity for parental participation. English and Spanish translation will be available. Written notices in both languages will be sent to parents notifying them of the date and times of the meeting.

- Distribute copies of the District Family & Community Engagement Policy in both English and Spanish.
- Place the District Family & Community Engagement Policy on the district's web page and other social media as deemed necessary.

#### **IV. SCHOOL-PARENT-STUDENT COMPACT**

As a component of the school-level Family & Community Engagement Policy, each school shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. The student/parent/teacher compact will be reviewed yearly for updates and revision.

- The Family & Community Engagement Director will work with each campus to assure that a School-Parent-Student Compact is distributed to parents at registration, posted to the campus website and campus information area at the school and that all campuses will meet with parents about the compact at a later meeting.

#### **V. TYPES OF PARENTAL INVOLVEMENT**

Parents can become involved in their children's education in a variety of ways. **Roma Independent School District** values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family & community engagement are needed in school-home-community partnerships to help all children succeed. All parent and community volunteers must comply with the district policy regarding State of Texas background checks. Below is a list of the ways a parent can be involved in the school:

- Participate in parent informational meetings, sessions or activities
- Chaperone in school field trips or during school sponsored activities
- Participate as decision makers in committees such as: Title I Parent Advisory Committee (PAC), Migrant Parent Advisory Committee (PAC) Site Based Decision Making (SBDM), Language Proficiency Assessment Committee (LPAC), Student Health Advisory Council (SHAC), etc.

#### **VI. ADAPT PROGRAMS TO THE NEEDS OF OUR COMMUNITY**

Each year Roma Independent School District will evaluate the needs of parents and children in the community through a variety of measures, including questionnaires sent home to parents, so that Title I programs can be modified to meet identified needs.

Workshops and other programs will be available to address the expressed needs. Parents will be notified of these opportunities by the individual schools. Parents may also call the Roma ISD Federal Programs Office or the individual school office to express an interest in a particular workshop topic or to make recommendations about the program.

- Encourage participation in community functions such as The Veterans Day Event, Roma Fest Parade, Homecoming Parade, Relay for Life, District Health Fair, Superintendent's Easter Egg Hunt, etc.
- Encourage participation in community volunteer opportunities such as with the Food Bank, Clean Up Projects, 5K Runs, Toys for Tots, etc.
- Bring parents information on the various outreach programs and agencies that provide information and assistance such as Su Clinica del Valle, Mujeres Unidas, Workforce Solutions, ESL or GED classes, Mental Health and Mental Retardation (MHMR), etc.

## **VII. STAFF-PARENT COMMUNICATION**

Notices sent home to parents should be in both English and Spanish. Parents are encouraged to take the initiative in calling their child's teacher or campus administrator when they have a concern. Below are additional ways the district and campus can communicate with parents:

- Letters, flyers, telephone calls, home visits, website, Parent Portal, (956) INSIDER, email, text messages, Facebook etc.

## **VIII. EVALUATION**

Parents will be asked for their input on the content and effectiveness of the Title I Family & Community Engagement programs through an annual evaluation of the program. The evaluation will include an assessment of overall increases in family & community engagement and barriers to parental participation that may exist. The Roma Independent School District will revise its Family & Community Engagement Policy on the basis of this annual review.

- Use district and campus data sessions, trainings, events, conferences, volunteer hours, etc., to evaluate the effectiveness of the family & community engagement program.

*Roma ISD does not discriminate on the basis of race, color, national origin, sex, religion, age, or disability in employment or provision of services, programs, or activities.*
