

WINTER 2021-2022

LAKEWOOD LOCAL SCHOOLS

We are a community of learners inspiring each student to explore, grow, and achieve.

Lakewood Schools Community,

It's springtime in central Ohio, our third nine weeks just finished on March 18, and it is now time for our students to prepare for that final push of the school year. This school year has been exciting and eventful and we hope that continues through the last day (May 27, by the way).

The winter brought much success across our District. Our school STEM teams won various competitions at The Works' STEMfest in early March. Middle school teacher Laura Carpico was awarded the Coughlin Automotive Group "You Make a Difference" Award. She represents all of the dedicated teachers in Lakewood Schools who continue to reach and engage our students, especially during these challenging times. Congratulations! The LHS Quiz Bowl Team did very well at the State Tournament, and we had a member named 1st Team All-Ohio. And congratulations are due to our athletic successes from the winter, especially our State Tournament qualifiers, the Lakewood Lancer Girls Bowling Team and LHS Swimmer Austin Masters. They all demonstrated great fortitude and that winter time was Lancer Time.

Spring brings the promise of warmer weather and optimism for continued prosperity for Lancer Nation. The LHS spring musical, *High School Musical*, is set to begin April 21 and run through April 24. We eagerly anticipate the results of the community-wide survey for which I suspect many of you provided input...thank you! We're also looking forward to the spring sports season, highlighted by our successful Lancer Baseball and Softball programs. And the track team is poised to continue the good fortune seen from the fall Cross Country season. Lastly, the Class of 2022 will end their Lakewood Lancer career with Commencement on Sunday, May 29, from The Court in Lakewood High School. Please join me in wishing them well as they plan for their future beyond high school!

Thank you for your continued support of our Lakewood Lancer students, staff members and programs. With their hard work and dedication, and your encouragement, it will always be Lancer Time!

Sincerely,
Dr. Mark Gleichauf, Superintendent

Winter Wins

LHS students Camryn Martindale and Aiden Bowman relating the principles of the Rotary to their future goals.

Several JIS and LMS students competed in the District Spelling Bee in January. Congratulations to LMS Student Molly J., who was Spelling Bee Champion, and JIS student Colton C., who was Runner-Up! Also congratulations to our LMS Geography and History Bee winners (below): Zander R., Nolan M., Sophie B., and William H.!

The LHS Quiz Bowl Team! competed in the National Academic Quiz Tournaments (NAQT) State Tournament and defeated three high schools. Senior Austin Williamson was named 1st Team All-Ohio!

Eight second-grade students were selected to be published in the Young Writers book *Ridiculous Writers - Enchanted Tales!*

Sir Reads-a-Lot has been sharing the importance of reading! From weekly storytime adventures with LHS students, and visits with kindergarten students via Zoom during Read Across America Week, he is making reading fun!

2022 STEMfest Winners

**GOING GREEN WITH BIOFUELS
CHALLENGE WINNER**

May The Fruit Be With You
Jackson Intermediate School

Congratulations to Lakewood's STEMfest 2022 winners! The competition, hosted by The Works: Ohio Center for History, Art & Technology, challenged students to reimagine how we live in the world and envision change for our future. Congratulations Lakewood STEM teams!

CHALLENGE WINNER
LHS STEM Club
Lakewood High School

Exciting Accomplishments

The LHS girls bowling team: LCL and District Champions! Coach Craig Smart receives LCL Coach of the year!

Lakewood Cheer attended the 2022 Citrus Bowl.

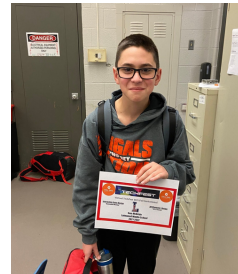

Congratulations to Swim State Qualifier, Austin Masters, and LCL Swim Coach of the Year, Stephanie Allman! Boys Cross Country Coach Dan Sekerak also won the OHSAA Sportsmanship, Ethics & Integrity Award!

Congratulations to these outstanding award recipients:

- LMS teacher Mrs. Carpico was named one of Coughlin Automotive Group's "You Make A Difference" Teacher Award winners!
- Sam McBride of LMS was chosen as a Top 10 Finalist for 3-D Design & Honorable Mention for Game Design at C-TEC!

Strategic Plan Accomplishments

- Teaching & Learning:
 - Social Studies and Foreign Language Curriculum Review committees evaluating resources that align with standards for possible implementation in the '22-'23 school year
 - LHS to pilot an Algebra II equivalency class in '22-'23 called Mathematical Modeling and Reasoning
- Facilities & Learning Environments:
 - Decommissioning Hebron by the '23-'24 school year to move all PreK- 5th-grade students to the Jackson Intermediate facilities; building a connector between Jackson A and the Annex for student safety
 - Using Coronavirus funding to improve air quality at Lakewood Middle School
 - Renovating LMS auditorium to create dedicated choir and band rooms, and larger flexible space for professional development, additional classrooms, community meetings and/or gatherings
- Social-Emotional Well-Being:
 - The PBIS (positive behavior intervention supports) team toured all buildings to observe consistency in how PBIS strategies are implemented at all grade levels
 - Investigating additional mental health support to benefit students and staff
- Communication & Trust:
 - Conducted Community Survey to gather feedback about the District; results will be shared at the April 13, 2022, Board of Education Meeting in the LHS Library
 - Continuing to share academic, athletic, and arts highlights on District social media and website
