

PERSONNEL – CLASSIFIED EMPLOYEES

BOARD POLICY – EMPLOYEE COMPENSATION

BP 4251

In order to recruit and retain employees committed to the SBCEO's goals for student learning, the County Board of Education and the County Superintendent of Schools recognize the importance of offering a competitive compensation package which includes salaries and health and welfare benefits.

The County Superintendent of Schools shall adopt separate salary schedules for certificated, classified, and supervisory and administrative personnel. These schedules shall comply with law and collective bargaining agreements and shall be printed and made available for review at the SBCEO office. (Education Code 45022, 45023, 45160, 45162, 45268)

Each certificated employee, except an employee in an administrative or supervisory position, shall be classified on the salary schedule on the basis of uniform allowance for education level and years of experience, unless the County Superintendent of Schools or designee and employee organization negotiate and mutually agree to a salary schedule based on different criteria. Certificated employees shall not be placed in different classifications on the schedule, nor paid different salaries, solely on the basis of the grade levels at which they teach. (Education Code 45028)

Salary schedules for staff who are not a part of a bargaining unit shall be determined by the County Superintendent of Schools or designee.

The County Superintendent of Schools or designee shall determine the frequency and schedule of salary payments, including whether payments for employees who work less than 12 months per year will be made over the course of the school year or in equal installments over the calendar year. (Education Code 45038, 45039, 45048, 45165)

In extraordinary circumstances or emergency situations, the County Superintendent of Schools or designee may determine to continue to compensate employees during periods of extended closure or disruption of normal SBCEO operations when permitted by law and consistent with collective bargaining agreements and memoranda of understanding.

The County Superintendent of Schools or designee shall post a notice explaining the Fair Labor Standards Act's wage and hour provisions in a conspicuous place at each work site. (29 CFR 516.4)

Overtime Compensation

SBCEO employees shall be paid an overtime rate of not less than one and one-half times their regular rate of pay for any hours worked in excess of eight hours in one day or 40 hours in one work week, or twice their regular rate of pay for any hours worked in excess of 12 hours in one day or eight hours on the seventh consecutive day of work. However, teachers, school administrators, and other employees in positions established by the County Superintendent of Schools as executive, administrative, or professional shall be exempt from overtime

rules. (Education Code 45128, 45130; 29 USC 213; 29 CFR 541.0-541.710, 553.27, 553.32) When authorized in a collective bargaining agreement or other agreement between the SBCEO and employees, an employee may take compensatory time off in lieu of overtime compensation, provided the employee has not accrued compensatory time in excess of the limits specified in 29 USC 207. An employee who has requested the use of compensatory time shall be allowed to use such time within 12 calendar months after making the request if the use of the compensatory time does not unduly disrupt SBCEO operations. (Education Code 45129; 29 USC 207; 29 CFR 553.20-553.25)

For each nonexempt employee, the County Superintendent of Schools or designee shall maintain records on the employee's wages, hours, and other information specified in 29 CFR 516.5-516.6.
