

TRIPS, PRODUCTIONS AND TOURS – FIVE YEAR PLAN

This table is to give parents and pupils an oversight of the major co-curricular opportunities we intend (restrictions notwithstanding) to offer over the next five years. Parents are asked to look at what we are offering so that they can plan, avoid clashes and prioritise with their children which trips they would like to go on. There may be circumstances where we have to withdraw the offer of certain trips on this list, but parents and pupils will be informed if that is the case. This list will be updated to reflect any changes.
