WE ARE....

A Leader in Me School

Leader in Me embodies a holistic approach to education, refining how schools measure success.

- teaching leadership to every student
- creating a culture of student empowerment

A Purple Star Recipient

The Purple Star Award for military-friendly schools recognizes schools that show a major commitment to students and families connected to our nation's military.

A Title I School

We are a school wide Title I school, we receive funding due to 35% or more of our population receiving free and reduced. The funds are used to purchase teaching resources, provide professional development for teachers, provide a parent resource room, and additional teaching staff that benefit ALL students at AWE. AWE's **Parent and Family Engagement Policy** ensures that parents have the opportunity to be more engaged in their child's learning. This **Title I compact** sets clear expectations for the students, parents, teachers, and administration; helping us work together towards a common goal. (See school website for more information)
