NCBOLD Free, Virtual Conference!

NCBOLD (Beacons of Leadership Development) is a free, virtual conference on Wed July 21 and Thurs July 22 for any public educator in North Carolina sponsored by the Division of Digital Teaching & Learning of DPI.

Sessions have been carefully designed and curated to meet the North Carolina Digital Learning Competencies for Educators. NCBOLD will have several sessions designed specifically for administrators as well as teachers, media coordinators, technology facilitators and many other educators.

To learn more and register for the sessions, educators can visit our session

(Save the Date) North Carolina Early Learning Inventory Trainings

As a part of the Read to Achieve legislation, all Kindergarten teachers complete the formative assessments of the NCELI with their students. To prepare for this, kindergarten teachers and administrators should mark calendars for the following events:

Initial training for Kindergarten teachers (new to teaching or to grade level):
Tuesday, August 17th-- 1:00pm to 4:30. Location: BDQ Media Center

Refresher training for returning Kindergarten teachers (with platform updates, etc):

Wednesday, August 18th

1:00pm-2:15pm.

Location: Virtual. Link will be shared prior to the 18th.

Online mCLASS with DIBELS 8th Edition Course Description

As part of the implementation of mCLASS with DIBELS 8th Edition for the 21-22 school year, all North Carolina educators will have access to a self-paced online course as a support for a successful implementation and to serve as a resource throughout the school year. You will not be able to create an account or access the course until July 7, 2021. To create an account click the [LINK](#), enter your name and email, create a password, click sign up, and bookmark the course. It will be important to use a consistent log-in once you start the course so that you can generate a completion certificate

Upon completion participants will be able to:

Explain how mCLASS with DIBELS 8th Edition assesses the basic early literacy skills required for students to become proficient readers.

Administer and score mCLASS with DIBELS 8th Edition assessment measures for their grade level according to standardized guidelines.

Interpret student data and identify students' instructional needs.

Access targeted skills-focused lessons available in mCLASS DIBELS 8th Edition to plan differentiated instruction.

Generate a certificate of completion.

Please contact Mr. Jason Griffin if you have any questions regarding this self-paced training.
