

# THE WILDCAT WEEKLY

## A Note from Dr. G

Volume 3 Issue 13

### Superintendent's Corner

Across the District, students have been getting in a Thanksgiving state of mind by both finding ways to give back, and celebrating. At HES, the entire school participated in a food drive to benefit Feeding Westchester. Coordinated by Mary Schoener, Deb Kurlander, and Jennifer Baltich, classes prepared 683 snack bags to accompany holiday meals. Principal Anne Stern said, "This was a great opportunity for our students to practice giving back to the community. They even included handmade cards in each snack bag."

At Columbus, third grade students and families gathered for a traditional Thanksgiving Feast. Thank you to our food service team for a delicious meal complete with turkey and all the fixings!

This week we opened Kindergarten Registration for the WHS Class of 2037 and are exploring Universal Pre-K for our community. It truly is an exciting time to be a Wildcat. On behalf of the Board of Education, our student body, faculty, and staff, this proud Wildcat wishes you all a very Happy Thanksgiving!

### Noticing the Good

The 7th grade math students in Alysia Catucci and Elizabeth Dwyer's class had a little turkey fun before break! Students wrapped up their simplifying expressions topic by creating Turkey Combos.

Mrs. Catucci explained, "They solved problems with varied level of difficulties and then matched those answers to the appropriate turkey. After they completed the work, they could color them, give their turkey a name, and even make them a festive headband to wear at Thanksgiving dinner. They are sure to be a conversation starter!"

A special thank you to Keira Borello who played the National Anthem on her alto saxophone and our administrators, teachers and School Board members who came out to support this event.
