A decision will NOT be made on this day. Decisions for retention are made once ALL End-of-Year Assessments have been complete. Students who are at the risk of possible retention have received a parent invite with their child's report card that was sent on on Tuesday, March 29th. You may choose to attend in person or via ZOOM. Please respond by completing the invite and return to your child's teacher as soon as possible so that we can plan accordingly.
