Retention Meetings for Parents

We will begin reaching out to parents to invite them to meet with the Retention Committee to discuss the possibility of their child being retained the week of March 28th. We will begin hosting meetings the week of April 4th and continue through the end of the month. This is an opportunity for you to advocate for your child. A decision will NOT be made on this day. Decisions for retention are made once ALL End-of-Year Assessments have been complete. You may choose to attend in person or via ZOOM. Please respond by completing the invite and return to your child's teacher as soon as possible so that we can plan accordingly.
