JTB Year-Round School Survey

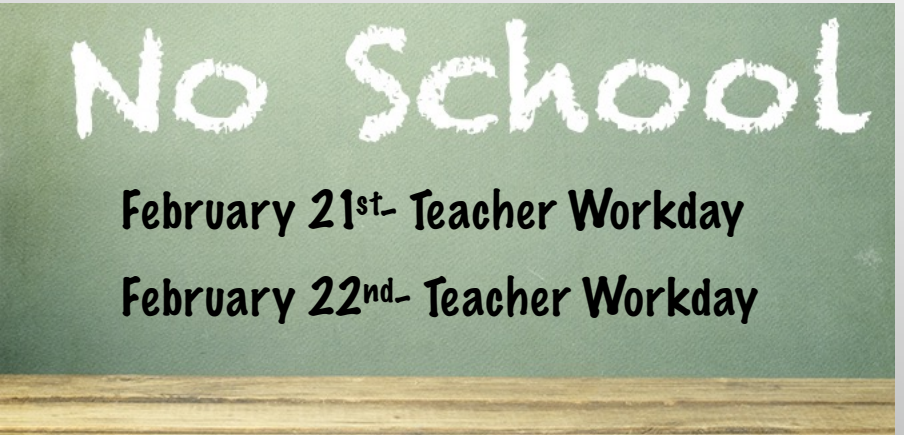

Please take the JTB Year-Round Survey for the 2022-2023 school year. Thus far, we have only 15 surveys completed out of the 270 students we serve. This possible transition could/would impact your families. Please click here to complete the survey. https://docs.google.com/forms/d/e/1FAIpQLSebalt5lDDbRZdMhgBzxFM0khJxeCvi8isD__7TJtxFbt0nfg/viewform?usp=sf_link

Additionally, the survey was sent out through REMIND and a hard copy was sent home with students the week of Feb. 7th. If you have mis-placed please contact your child's teacher for another hard copy. Please complete front and back of the survey.

This survey data will be used to share with the Board of Education to help make an informed decision.

2022-2023 School Reassignments

The window for parents to request school reassignments for the 2022/2023 school year is from March 1st to March 31st. The forms will be available on the Craven County Schools website under Student Support Services. Families whose student(s) are currently on reassignment this school year will have to submit another form to re-apply for next school year if you want your child(ren) to continue to attend a school outside of their attendance zone.

Croc Spirit Friday will be held on February 25th – HBCU College Spirit Wear or Colors.

IN-PERSON LEARNING WILL CONTINUE FOR STUDENTS UNDER MASKS OPTIONAL POLICY

Please note, since the Board of Education recently voted to move to masks optional for our district beginning February 21, 2022, this does not allow students to transition to virtual learning. Our district is still following in-person learning for the remainder of the school year unless students are currently enrolled in Craven Virtual Academy (CVA). If your family is interested in learning more about CVA for the 22-23 school year, information will be shared soon on the opportunities to apply for the new school year.

Masks optional does provide any individuals wishing to continue to wear masks to do so. Thank you for your understanding.
