Our staff celebrated as a school our recent EVASS data on 2-2-22. Please share in and throughout the community that J. T. Barber Elementary School has MET GROWTH status for the 2020-2021academic school year! We have met growth over 8 other elementary schools in the district!! I know without a doubt that JTB has some of the hardest most dedicated teachers in Craven County! Remember to let your CROC PRIDE shine!

Student progress reports will go home with students on February 14th. Please check your child's backpack or folder. Please reach out to your child's teacher for a parent/teacher conference should you have concerns about your child's progress.
