What RISE is...

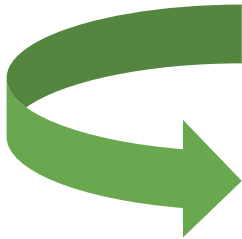

- *An authentic way to build partnerships with families*
- *A data literacy model that teaches families about data and how it's used in schools to inform instruction*
- *A one-hour interactive meeting where families learn how to help their child at home*
- *A way to show families what learning looks like in the classroom*
- *A way for teachers and families to have conversations about student school success*
- *A place where families can connect with each other*

What RISE isn't...

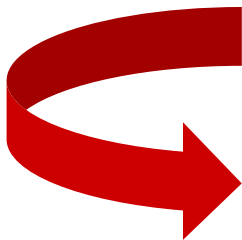

- *A 'sit and get'*
- *Curriculum night*
- *One-way communication*
- *Traditional parent involvement*
- *A 'one-off' event*

Interested? Contact Susie Kirvin susan.kirvin@jeffco.k12.co.us
