

Bellevue School District Misconduct and Consequences for Secondary Students

Key: 1 = first offense, 2 = second offense, 3 = 3rd offense, etc.

The following sanctions are strongly recommended to ensure consistency and continuity across the District for similar offenses. Discipline should be progressive, both in terms of the level of discipline as well as the number of days. Also, when considering disciplinary consequences administrators should take into account the developmental level of the student. If extenuating circumstances warrant, a lesser or greater disciplinary consequence may be used if appropriate. When considering extenuating circumstances for a consequence greater than recommended or short-term suspension, administrators will discuss the details with the Supervisor of Pupil Management or their Executive Director of Schools prior to issuing such discipline.
