Dear Parents and Carers,

Re: 'Good' Ofsted Inspection Results at Silverdale Primary Academy

We are delighted to share with you the recent Ofsted inspection results, confirming that Silverdale Primary Academy has maintained its 'Good' rating. This accomplishment stands as a testament to the unwavering dedication and collective efforts of our academy community – from our committed staff to our incredible children and supportive families.

The inspectors highlighted several key aspects that truly underscore the quality of care and education that your children receive at our academy. They noted that our high aspirations for our pupils, where they “work hard to meet these expectations in their learning and behaviour and are particularly motivated by the ‘ninja code’”. Pupils are keen to ‘collect’ the ninja characters who embody the behavioural values the school expects the pupils to display.”

Additionally, the report notes that “Personal development is a strength of the school. Leaders strongly focus on supporting pupils who are disadvantaged. This enables these pupils to have good access to opportunities to develop their interests, such as music lessons. Pupils are helped to develop strong leadership skills, including older pupils responsibly supporting younger children at lunch time.”

We also take immense pride in the fact that “pupils at Silverdale Primary Academy develop impeccable manners. Mutual respect and politeness are at the heart of the school’s ethos.”
