

## What is a school compact?

A school-parent compact is an agreement that families, students, and teachers develop together. It explains how families and teachers work together to make sure ALL students reach grade level standards.

Effective Compacts:

- Link goals to School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high quality instruction
- Share strategies families can use at home
- Explain how teachers and families will communicate about student progress

## Building Partnerships

**We Don't Just Fly...We Soar!**

## Jointly Developed

The families, students, and staff of Alderman Elementary School developed this School-Parent Compact. Teachers suggested home learning activities, families added ideas to make them more specific, and students told us what would help them learn. Meetings and events are held each year to review the compact and make changes based on student needs.

**Families are welcome to contribute comments and suggestions at any time.**

## Communication About Student Learning

Alderman Elementary is committed to frequent, two-way communication with families about student learning. Some of the ways you can expect us to reach you are:

- ★ Blue Communication Binder
- ★ Check ins through Class Dojo and Phone Calls
- ★ Alderman recordings from the principal
- ★ Updates to our class webpage and PowerSchool grades (3-5)
- ★ Parent Teacher Conferences

# Teachers, Families, Students – Together for Success

## In the Classroom

The classroom teachers will work with students and families to support students' success in reading and more specifically math. Some of our key connections with families will be:

- Hold parent conferences to share student's progress towards their goals.
- Share a weekly newsletter with ways to support learning at home.
- Communicate daily using the blue Communication Binder.
- Communicate student successes and concerns through phone calls, email and/or class dojo.

## At Home

Alderman school families will join staff to develop ideas about how to support students' success in school. Families may have other ideas to add to this list.

- Review the blue Communication Binder each evening
- Connect to Class Dojo so you can communicate with your child's teacher if you have any questions or concerns.
- Review the weekly newsletter for ways to support your student's learning at home.
- Establish bedtime routines that help your student get enough rest to be alert for each school day.
  
- Write your idea here:

---

## Students

Alderman students will join staff and their families to develop ideas about how to support their own success in school. Students may have other ideas to add to this list.

- Complete nightly homework assignments.
- Share the blue Communication Binder with their family and their teacher.
- Go to bed at a time that gives enough rest to be alert for school each day.
  
- Write your idea here:
