

## Parent Bulletin Friday 17th November 2023

Dear Parents and Carers

As always I hope this week's Bulletin finds you well. It has been a very busy week for us in school and the weather has not always helped (especially the rain on Tuesday)! We hope for better next week.

### SIAMS Inspection

Thank you to the parents who came into school on Tuesday to support our SIAMS inspection. As I wrote last week this happened because we are a Church of England school. The students involved were a credit to themselves, their parents and the school and the visit went well. I will share the final report with you when it comes through, in about 3 weeks' time.

### Uniform

This is becoming a problem for some students who do not have the right clothing for school. Please take advantage of the school shop if you need something that is nearly new at short notice and please ensure your child is correctly dressed for school. I make no apology for ensuring our students wear the uniform correctly and do expect parents to support the school with that.

### Year 11 Mock Exams

These start next week and are for all students in Year 11. If you need a copy of your child's exam timetable please contact [exams@slougheton.com](mailto:exams@slougheton.com) and we can send you one. I hope Year 11 students have been revising hard at home and look forward to seeing how they get on.

### Year 9 Parents' Evening

This take place on Thursday, at school for all students and their parents in Year 9. Bookings should be made on School Cloud and I look forward to seeing parents then.

### Flu Vaccination – Monday 27<sup>th</sup> November – Year 7 - 11

Please remember to give your consent (yes or no) for your child. A reminder will be sent.

Finally, please remember that school is closed to all students on Friday 1<sup>st</sup> December.

Have a great weekend.
