

"I Like..."

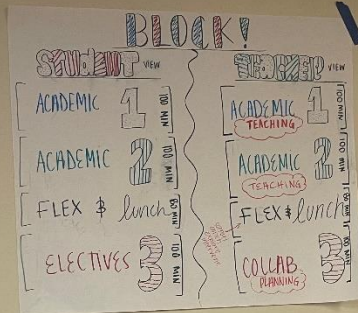

extended teaching
"collaborative" block

how simple & easy-to-read
✓ the schedule is, & how
it shows SAs and their
schedules

✓ teacher collaboration
WTH

✓ that students would have
more support
- moving space areas to explore
- adjacent classrooms
ideas

This schedule fits
perfectly w/ cohort plan!!

"I wish..."

(new ideas) (constructive criticism)

- I had more info/details
about the elective block

• have removable walls
↳ have 2 teachers w/ 50+ kids

- Advisory would be called out more for
explicit SEL, exec. functioning and
current events (e.g. conflict resolution skills)

"What if..."

(new ideas)

We added a 3rd teacher for academic blocks to save time
It could be a great way to manage work

- In 4th grade, 2 teachers
5th grade, 2 teachers
6th grade, 2 teachers

- More scheduling = no place
- tutorial?
