Keep Your Child On Track in Middle and High School: Pay Attention to Attendance

Even as children grow older and more independent, families play a key role in making sure students access learning opportunities and understand why attendance is so important for success in school and on the job. Families can also advocate for resources to help students learn if they cannot attend in-person.

DID YOU KNOW?

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation.
- Frequent absences can be a sign that a student is losing interest in school, struggling with school work, dealing with a bully or facing some other difficulty.
- By 6th grade, absenteeism is one of three signs that a student may drop out of high school.
- By 9th grade, attendance is a better predictor of graduation rates than 8th grade test scores.
- Missing 10%, or 2 days a month, over the course of the school year, can affect a student's academic success.

WHAT YOU CAN DO

Make school attendance a priority

- Talk about the importance of showing up to school every day.
- Help your teen maintain daily routines, such as finishing homework and getting a good night's sleep.
- Try not to schedule dental and non-Covid-19 related medical appointments during the school day.
- Keep your student healthy, and if you are concerned about Covid-19, call your school for advice.
- If your teens must stay home because they are sick or in quarantine, make sure they have asked teachers for resources and materials to make up for the missed learning time in the classroom.

Help your teen stay engaged

- Find out if your children feel engaged by their classes, and feel safe from bullies and other threats.
- Make sure your teens are not missing class because of challenges with behavioral issues or school discipline policies. If any of these are problems, contact the school and work with them to find a solution.
- Monitor your teen's academic progress and seek help from teachers or tutors when necessary. Make sure teachers know how to contact you.
- Stay on top of your child's social contacts. Peer pressure can lead to skipping school, while students without many friends can feel isolated.
- Encourage your teen to join meaningful after-school activities, including sports and clubs.
- Notice and support your students if they are showing signs of anxiety.

Communicate with the school

- Know the school's attendance policy – incentives and penalties.
- Check on your teen's attendance to be sure absences are not adding up.
- Seek help from school staff, other parents or community agencies if you need support.

Tardiness

“DON'T BE LATE; YOU'LL MISS SOMETHING GREAT!”

We are holding a monthly Tardiness challenge among each grade to encourage students to arrive on-time. The grade with the highest percentage of students who arrive on time will be awarded a Pop-up Period Party or a Week to Dress Down Pass. **Shout out to the 6th grade who had the highest percentage of students who arrived on time for the month of November.**

Technology Updates

1. All students and families must submit all technology related(laptop, passwords, chargers login information) issues/ requests to support@boyslatin.org.
2. In-Person technology support is available to students during their lunch period on **Tuesdays and Thursdays**. Our IT specialist is available to middle school students on the stage in the dining hall during each lunch period.

All students and their parents have received the *One-to-One Laptop Program Policy* and signed the *One-to-One Laptop Program Agreement*. This means all students and their parents are accountable to the policy. Students must report damage, issues, and concerns related to their school-issued device (Chromebook and Chromebook charger) to the Technology Department within one school day. **Damage due to negligence as well as loss or theft of a school-issued device is the responsibility of the student and their parent. The fee for a lost or stolen Chromebook is \$300.00** and the fee for a lost or stolen Chromebook charger is \$45.00. In the event a school-issued device is stolen, if the student or parent report of the incident is deemed credible, the school will replace the device at no charge to the student or parent. Damage due to negligence or loss of a school-issued device are level two or level three violations of the school's *Code of Conduct*

Student Attendance and Early Dismissal

Arriving on Time

Students are late if they arrive after **7:59AM**. It is imperative that students arrive before 8AM so they can get to class on time. **If students arrive after 7:59 they must enter through the Visitor Main Entrance.** You can always see your students' attendance on PowerSchool.

Early Dismissals

Students are **NOT** allowed to be dismissed by phone or email. Only a parent or an emergency contact can pick-up a student for an early dismissal.

All early dismissals must occur before 2:30PM.

Drop off and Dismissal

As we prepare to return back to school Please keep the following in mind when dropping off and picking up your warrior:

Drop Off

1. **Out of respect for our elderly neighbors please make sure you are NOT playing loud music when dropping off your warrior. Some are elderly neighbors have expressed that the loud music in the morning disturbs their sleep.**

Pick-up

1. **Please DO NOT double park your car on Callowhill Street.** Double parked cars create a very dangerous situation for our students who are walking home and catching public transportation. We also want to respect neighbors and neighborhood traffic flow. We understand that parking is limited, but please **DO NOT** double park.
2. **Please DO NOT sit in your car double parked on Felton Street waiting for your student to come out of the building.** This causes a traffic jam on Felton Street and a back-up of cars on Callowhill which leads to unsafe traffic jams.
3. **When picking-up your Warrior please PARK your car on Felton Street or other surrounding streets.**
