

BELLEVUE SCHOOL DISTRICT CAPITAL BOND
February 11, 2020 Election

The Bellevue School District is asking the community to consider a capital bond in the Feb. 11, 2020 election to build more space for students, improve the safety of our schools and help plan for the future.

The 2020 capital projects bond:

Provides students high-quality learning spaces by rebuilding and renovating aging school buildings and adding classrooms and student support spaces.

Increases safety and security for students and schools.

Replaces the aging education service centers.

Designates funding to purchase property for future school locations.

What will the capital bond cost?

For the average valued home of \$850,000, a Bellevue resident currently pays \$2.43 per \$1,000 of assessed property value in local school property taxes.

If approved, the local tax rate for our schools increases by \$0.03 per \$1,000 of assessed value, an increase of less than 1 percent. That's \$25.50 a year or \$2.13 a month for the average valued home.

\$25.50
per year

\$2.13
per month
