

If you have a child who received free or reduced price last year, you may be able to get \$120 in P-EBT benefits.

WHO IS ELIGIBLE?

If your child received free or reduced priced meals during the **2022-2023** school year, you are eligible for P-EBT benefits.

WHAT DO I HAVE TO DO?

Those already enrolled in **SNAP** with school-aged children will receive **P-EBT** benefits in early November on their **SNAP** card.

Families not receiving **SNAP** benefits but whose children were eligible for free or reduced meals can go to **NH EASY** website between September 30 and November 30, 2023 to complete a brief application.

Once approved, a **P-EBT** card will be mailed for use at any food retailer accepting **EBT**.

Families can expect to receive \$120.00 per eligible child
