

School Overview

Bellevue Digital Discovery offers an innovative online learning option for K-12 students in Washington state. This online school is a Choice School, and students need to apply to join the program. In the elementary program, BSD homeroom teachers are the primary teachers for students utilizing our BSD curriculum. Students also engage in activities led by teacher specialists including art, music, library and physical education, building community and maximizing school engagement. Secondary students take classes via the Imagine Edgenuity online learning platform with Imagine Edgenuity teachers. Students also attend an academic seminar, hosted by BSD teachers, that builds peer community, creates strong social emotional learning, and supports online learning success.

Glossary

Science Assessments - WCAS

WCAS stands for Washington Comprehensive Assessment of Science, first administered in Spring 2018 to students state-wide in grades 5, 8 and 11. The WCAS is aligned to Next Generation Science Standards, which emphasize engineering and technology. The standards were adopted by the state in 2013. For more information see www.k12.wa.us/assessment/StateTesting/default.aspx.

Smarter Balanced

Starting in 2014-15, Washington State adopted the Smarter Balanced exams to assess student learning in English language arts and math in grades 3-8 and 10-11. These computer-based exams are aligned to the state's Common Core learning standards. For more information see www.k12.wa.us/assessment/StateTesting/default.aspx.

Special Education Services

Neighborhood schools provide a continuum of special education services.

We provide specialty centers as well:

- * **Cascade** program for students who benefit from behavioral supports due to emotional stressors.
- * **Evergreen** program to serve young adults (ages 18-21) with disabilities.
- * **Olympic** program to support students on the autism spectrum.
- * **Pacific** program for students with significant developmental and intellectual disabilities.
- * **PALS** (Preschool Age Learning) preschool to provide early intervention services for children with special needs (ages 3-5), together with typically developing peers.
