Capture Reports - This week, parents and guardians will receive an email with information about how to access your student's first quarter capture report. ***The grades on the capture report under Q1 represent your student's grades for assignments due between August 30th and November 1st.*** It is important to note that we utilize a rolling grades system. Therefore, if your student's grades on assignments within the 8/30 to 11/1 time frame have changed since November 1st, the grade reflected on the capture report may no longer be accurate. For the most current grades, we encourage you to view your student's grades through your PowerSchool Parent Portal. The Q2 grade for each of your student's classes are the most accurate reflections of your student's current average for the course.

The NHS Drama Department will be performing the **Fall Play Radium Girls on December 7 and 8, at 6:30pm** in the NHS Auditorium. In 1926, radium was a miracle cure, Madame Curie an international celebrity, and luminous watches the latest rage until the girls who painted them began to fall ill with a mysterious disease. Inspired by a true story, Radium Girls traces the efforts of Grace Fryer, a dial painter, as she fights for her day in court. Her chief adversary is her former employer, Arthur Roeder, an idealistic man who cannot bring himself to believe that the same element that shrinks tumors could have anything to do with the terrifying rash of illnesses among his employees. As the case goes on, however, Grace finds herself battling not just with the U.S. Radium Corporation, but with her own family and friends, who fear that her campaign for justice will backfire. Written with warmth and humor, Radium Girls is a fast-moving, highly theatrical ensemble piece. Called a "powerful" and "engrossing" drama by critics, Radium Girls offers a wry, unflinching look at the peculiarly American obsessions with health, wealth, and the commercialization of science. Tickets can be purchased online or at the door, general public 10.00, students 5.00. Tickets are on sale now and can be purchased here.
