

TPSD Seeking Community Input

TUPELO, Miss. — As the Tupelo Public School District looks toward the future to better the educational options, it's seeking input from community members.

On Tuesday, Nov. 28 from 5:30-6:30 p.m. at the Church Street Elementary Auditorium, TPSD will host a Community Focus Group meeting, with the purpose of seeking input to redefine its vision and develop a new accountability model.

The meeting is open to everyone, and feedback is highly encouraged.
