## **December Pine Road Service Project**

Dear Families,

For the month of December, we are asking for donations of gently used adult and youth winter coats so that we can give the gift of warmth to people who need it. All people deserve to be warm during our winter months. Unfortunately, the cost of a winter coat is simply one that some people cannot afford.

Your donations will be delivered to *Face to Face* in Germantown.

### ***Our values***

*Hospitality, Mutuality, and Transformation – speak to our belief that individuals experiencing poverty should be treated with respect. We are all equals here, with the same needs and desires – only our circumstances differ. We welcome everyone who enters our doors as our guests, helping them fight off the root causes of poverty.*

*Face to Face's began on May 13, 1984, after the members of [St. Vincent de Paul Roman Catholic Church](#) began cooking hot meals for their Germantown neighbors who were food insecure.*

Donations will be accepted from **December 1st- December 21st.** Boxes will be available by the front door of Pine Road for contactless drop off, and in the lobby.

**Lower Moreland Township School District**

*“Expanding Horizons...*

*Individualizing Education”*

Thank you, in advance, for helping our school community as we hope to make a difference in our greater community.

Sincerely,

The Pine Road Teachers
