How to Create a Parent Observer Account in Canvas

Note:

To set up a parent observer account in Canvas you need 2 things:

- A pairing code from your student's Canvas account
- To create a parent Canvas account

Step 1: Get the Pairing Code

To observe your student in Canvas, you must log in to your student's Canvas account to get the pairing code.

Getting into your student's account:

Have your student log in using their district email and formulaic password. For help, call the TCSD Help Desk at 435-884-7799.

Click the round Account button on the top left hand corner.

Click on Settings in the menu that emerges.

Click on the Pair with Observer button on the right-hand side.

Write down the code you're given. It will expire within 24 hours, so proceed immediately to Step 2 below.

Step 2: Set up your account

Go to <u>www.tooeleschools.org</u>, roll over the Families and Students menu, and select the Canvas for Parents option.
