SCHOOL/CLUB/ORGANIZATION: _____

1.. What vehicle would you like to have in the parade? _____ Car _____ Float

Please list contact information of a representative of your club or organization

Name: _____

Email: _____

Phone: _____

*You will be contacted to confirm your participation in the parade and receive your parade order number.

* Please note: Alumni cars and floats follow the current classes at Tivy High School and proceed in descending order according to year. How many alumni cars and floats can we fit in this year’s parade? Let’s find out!

* Per Kerrville Country Police Department, we cannot throw candy or toys from the floats as it presents a hazard to young children and requires extensive clean-up. Thank you for your cooperation in this matter.

Tivy Homecoming 2023

The theme for this year's Homecoming is **"The Stars at Night Are Big and Bright"**. There are so many directions you can go with this theme (must be appropriate and not offensive to any group or organization). Think cowboys and "home on the range" (western), camping, river adventures, movie stars, Space and galaxy, patriotic, big Texas Friday Night Lights, or any and all things Texas. Each grade or club is to choose an appropriate theme to represent their club or organization. Show your spirit and celebrate **"The Stars at Night Are Big and Bright"** by recreating it as a float! In order to claim a theme, your organization must turn in the Homecoming Entry Form, to me, Mr. Lee Pool, or in his box by **September 22nd at 4:00**. This needs to be on time for the parade to run smoothly.

HOMECOMING RULES AND REGULATIONS

PARADE INFORMATION

Each organization will be designated a line-up number and must line-up accordingly along Hugo Street by 5:30, prior to the start of the parade. Friendly competition is fine but detrimental or dangerous behavior will result in immediate expulsion from the parade. In addition, appropriate attire is also required with understanding that the dress is according to your theme selection. No candy or items are allowed to be thrown from the floats per Kerrville Police Department. Floats that do may be removed from the lineup. However, those walking the parade may *hand* candy or other appropriate treats to children along the parade route.

FLOAT DECORATIONS

All parade entries need to correspond with Homecoming theme: **"The Stars at Night Are Big and Bright"**

Turn in the specific theme selected by the class or organization to Mr. Pool by September 22nd. Theme selection is on a first-come first-serve basis and no two organizations will share the same theme. Theme choices must be appropriate.

If you have any questions, please don't hesitate to email.

Thank you again for your support and involvement.
