If your student is wearing a sibling's gown, you can order only the tassel separately (you'll want to order the Memory Tassel, NOT the Ice Tassel). For sibling gowns, it MUST have the Tivy 'T' emblem on the left chest area. We do not allow students to wear the plain blue gowns anymore. If paying for a cap & gown is a financial burden, please email kathryn.riederer@kerrvilleisd.net so you student can borrow a gown.
