FUNDRAISING

Kerrville Independent School District believes that fundraisers are a needed means of supporting programs within the district. However, KISD also understands the economic times in which we live and the importance of living within our means. Therefore, in order to align the types of fundraisers and the number of fundraisers campuses conduct, this regulation provides guidelines for each campus to implement when having fundraisers beginning in the 2011-2012 academic year.

NUMBER OF  
FUNDRAISERS

Elementary schools are allowed two school-wide fundraisers per year. Any additional fundraisers must be approved by the superintendent or designee.

Secondary schools, grades 6-12, are allowed two school-wide fundraisers per campus. In addition, Fine Arts programs, grades 6-12, (band, choir, and orchestra) are allowed one fundraiser. Fundraisers for student organizations such as PALS, Student Council, National Honor Society, Foreign Language clubs, etc., must be approved by the principal by the beginning of the school year using the district approved fundraiser form. [See page 2 Exhibit]

BOOSTER CLUBS

All booster clubs will follow UIL regulations and KISD policies.

Board policies directly related to fundraising include FJ (Local, GKB (Legal), and GE (Local).
