- (1) Requires one KISD employee (custodian) to be on site during the event at \$30/hour in addition to the facility use fee.
- (2) Requires two KISD employees (custodian/supervisor) to be on site during the event at \$60/hour in addition to the facility use fee.
- (3) Requires additional clean-up fee of \$300.

Note: Facility Use deposit of \$100 is required for all rentals. Deposits will be charged for damages and/or litter. Facilities must be left clean.

Video Display:	The video display at Antler Stadium may be rented subject to the availability of the video production company. When using the video display the Lessee must sign a separate agreement with the video production company. Payment for this service will be made to Kerrville ISD.
Two Camera Package	Includes two cameras, two hours of pre-show prep time, four person crew – \$1,200 up to four hours – Each additional hour is \$350
Four Camera Package	Includes four cameras, two hours of pre-show prep time, six person crew – \$1,800 up to four hours – Each additional hour is \$350
Equipment Test	Testing of audio and video equipment prior to an event is necessary if more than 45 days have passed since the last use. Up to \$480 may be charged. *Additional services will cost extra and shall be coordinated with the production company. Payment for additional services shall be made to the production company.
Deposit	A security deposit of 50% of total estimated fees is required to reserve the date. Remaining 50% is due prior to the day of the event. Non-payment by event date could result in termination of all services and forfeiture of the down payment.
Bad Weather Cancellation/Postponement	Should the event be canceled due to inclement weather, security deposit is forfeited as liquid damages. Should the event be postponed, the production company cannot make any warranty of availability for the rescheduled day/time. If the event is rescheduled and the production company is available for providing services, some additional fees may be required to secure additional staff. If lightning or other dangerous conditions threaten the safety of spectators or operators, all production crew will be ordered off the field, and announcements will be made over the loudspeakers that spectators should take cover and exit the stadium. The only exception to this rule will be that if police or fire officials ask us not to make an announcement. No refund of payment will be made for lost time or cancellation of the event.
Rental Requirements and Stipulations:	
Contract	Required for non-school users
Hold Harmless Agreement	Required for non-school users
Proof of liability coverage	Required for non-school users
District Contact	All fees and contracts to be handled at the campus or department office
Permissions	Use of campus facilities must be approved by campus administrator
Priority	Facilities for primary use in support of KISD programs. Usages by KISD student or employees will preempt any other activity.
