

Student Health Advisory Council

Meeting Notes

Oct. 5, 2022

Special Programs Director Cheryl Manchester welcomed everyone to the first meeting of the 2022-2023 School Year

Mrs. Manchester introduced Assistant Superintendent Wade Ivy to give a presentation on school safety updates

Mr. Ivy began with the 2018 Bond Program that included safety updates and what all was included in that during Summer 2019:

--included upgraded security cameras at elementary campuses and Tivy, secured vestibules at elementary campuses, fire alarm replacement or upgrades, interior locking mechanisms on doors, new HPMS campus and new Tivy Ag barn

Mr. Ivy said that there was some money left over from those projects

After the Uvalde shooting in May, KISD Administration looked at other security updates across the district

Summer and Fall 2022 Updates

Security updates made during the summer and continuing into this fall include:

- Interior locking mechanisms on doors at Tivy and HPMS
- Fencing at Tivy to enclose back area for CTE classes
- New security vestibule at ECC
- Security glass at key entry points to academic wings at HPMS
- 7-foot fencing around playground areas and perimeters of elementary campuses

Request for Proposals are out right now for security film on exterior doors and storefront glass at all campuses—this film makes it very difficult for someone to breach the campus through the windows

Building Security Updates

- Targeted partial safety audit (55 areas of inspection) at all campuses
- Exterior door safety audit and repairs, also numbered and mapped all doors and entry points across the district
- Implemented Daily/Weekly exterior door inspections
- Campus signage directing visitors to check in at the front office
- Campus access control procedures updated
- Security walk-throughs by KPD, who made some suggestions for interior labeling which is currently being undertaken by the district
- Provide KPD with real-time access to campus camera systems and district keys

Response Training and Drilling

- Training for all staff (and substitutes) on Standard Response Protocol (SRP) and Citizen Response to Active Shooter Event (CRASE)
- Age-appropriate training in SRP and Self-Evacuation for students
- Pre-scheduled all campus safety drills
- SRP training provided to local law enforcement
- Reunification site walk-through with local first responders
- National Incident Management System and Incident Command System training for administrators
- Interagency active shooter drills at old HPMS property, KISD personnel was able to sit in on drills with local law enforcement

Preventative Measures

- Sandy Hook Promise – Say Something Campaign
- P3 Anonymous Reporting System – app and website
- Expand Campus Threat Assessment Team to include nurse, general ed teacher, special ed teacher
- Digital Threat Assessment training for secondary admin
- Bullying Awareness/Prevention training for all campus staff
- Trauma Informed Care training for campus instructional and office staff

Personnel Resources

- Adding two additional SROs to serve elementary campuses
- Safe Supportive Schools Program Coordinator – develop programs and strategies for building a positive school environment, services for students – process will build on over the coming years
- Door Monitor at Tivy – monitor doors from student and staff parking areas, will have access to Raptor system to make visitor badges, etc.
- Partners on Patrol – citizen volunteers to be an additional campus presence

- Mental Health Resources for School Staff – employees can call on mental health professional for assistance
- Researching School Marshall Program – allows for school staff members to be armed on campus, weapon can not be on person if in direct interaction with students, just locked in secure place, if not in direct interaction with students, may carry weapon on person, 80 hours of training and psychological exam. Mr. Ivy stressed that the district is still researching this program, no decision has been made to implement it at this time

Working On

- Campus “go bags” for KPD for tactical equipment for police response
- Planning table top active threat drill with police and fire departments
- Creation and training of district reunification team
- Update District emergency operations plan
- Develop and implement Safe and Supportive Schools Program Initiatives

Question about KPD having access to KISD security camera system – currently only one laptop right now, working on a better solution, technology-wise

Mr. Ivy said KISD gets \$49,000 in state funding for school safety, and added that KISD is very lucky that there was leftover money from Bond 2018 to fall back on to cover some of these extra upgrades

Mrs. Manchester reminds members that the next council meeting is scheduled for Jan. 2023.

Meeting adjourned
