Remembrance

**Missed But Not Forgotten*

*They were friends whose hearts were good,
Who walked with us and understood.
Their smile all of us loved to see,
Theirs was a hand that asked no fee.
For friendliness or kindness done.
They left a fame that never ends...
They leave behind uncouneted friends.*

Our three sons are grown, we have one grandson. Janet and I like to spend time camping.

We attend Purdue football home games and an occasional road game. You can't beat the excitement of tailgating at a college football game. I retired from General Motors on July 1, 2006. We attend KHS basketball games with Gerald & Susie Leonard. And, since I have retired, look out Florida, especially in January, February & March

Hobbies:

I collect Lionel Trains and do a little woodworking.
Janet collects Longaberger Baskets.
