December 31st 2003, I retired from DaimlerChrysler Corporation. Previously
worked on a team project to develop standard operating procedures for the
machines and conducted internal audits for the plant. Currently, I am in
retirement mode-do what I want, go where I want, anytime I want. A watch,
maybe I will wear one, as a piece of jewelry. I lead a ladies group and a
bible study class at First Christian Church in New Castle. Enjoy getting
together with family and friends for outings, trips, and whatever. Enjoy
working on jigsaw puzzles, going to a movie, to car shows, and cruisin'.
Enjoy traveling to different parts of the United States
