Hello, I have been married for the past 8 years to Kyle Miedema and we have a just-turned 7 year old daughter, Genevieve. I work as an assistant to the CEO of Suburban Health Organization, a hospital network of sorts. I graduated from Ball State in 1988 and shortly thereafter moved to New York City. Upon returning to Indy, I worked a variety of theatre and event planning jobs before taking my current position. I enjoy music theatre reading and writing, cooking and movies. I rarely see anyone from our class other than Debbie Hulse Morris who is also my realtor. And Gina Kinnaman who has remained my best friend all these years.  
MAN...we're old!

I only went to Knightstown my senior year, then left after graduation. But somehow I ended up in Knightstown again in 1994 and have lived here since. I've been married for 15 years to Suzy Ottinger, class of 1991. We have three children, Bobby 13,

Coleman 9, and Candice 7. I work for the American Legion National Headquarters at Ft. Harrison in Indy. I'd love to hear from anyone who remembers, 'The Madrid Kid'.

I moved to Bloomfield in September after we graduated. I have lived in Greene County for 19 years. I have 2 boys, ages 22 & 17. The oldest is married and gave me a granddaughter, 3 1/2 years old, and a brand new grandson born August 4, 2007. He also graduated from basic AIT training with the National Guard at Ft. Benning, Georgia in July. My younger son is a Sophomore at Eastern Greene School and plans to follow his brother in the National Guard after graduation. I have worked at Phi Delta Kappa for 19 years, but am considering going back to school for nursing or police work. I hope this finds everyone well and happy.
