After high school I joined the Army and spent 8 1/2 years proudly serving my country. I had to have open heart surgery in the fall of 2000 and that ended my Army career. I've since worked mainly for trucking companies as a diesel mechanic and have recently been promoted to Parts Manager for the Waxahachie, Texas terminal for the company that I am now employed by.

So, I will be updating my info then. I am also a full time student at Lincoln Technical Institute studying, of all things, Diesel Technologies.
Later yall!

I am married to Brandon and live in Kennard. I have a 16 year old daughter , Haley Cruse from my previous marriage. I have a new baby girl Mackenna, born in January 2008. I work at Indiana Business College as an administrative assistant. I also graduated from there in 2002. I spend a lot of time going to Haley's sports events and being a new mommy.
