I graduated with an English degree from Hanover College in 1997.
Currently living in Colorado with my wife Laura and our two dogs Doc & Lucy.
Laura is finishing her Ph.D. in School Psychology this year (2004) and I am
a sales manager for American Furniture Warehouse (a Colorado furniture chain).
I'm active, playing basketball, softball and even a wiffle ball league at one point.
And, since everyone asks...no we don't know when or if we are moving back to the midwest.
I am looking forward to hearing from anyone. I don't get back to Knightstown all that often.
