earning their credits.***

### ***Supervised Agriculture Experience (SAE) –***

Supervised Agricultural Experience (SAE) provides students with opportunities to gain work experience in the agriculture field(s) in which they are interested. Students work with their Ag teacher, parents, and/or employers to get the most out of their SAE program. Your work experience areas could include placement, entrepreneurship, or research in 42 different fields. It is worth one credit.

Requirements: Student must work 15 hours each week of summer and meet with Ms. Stoten four times over the summer. This course can be used as the required Ag course to be involved with FFA during the 2023-2024 school year.

See Ms. Stoten with any questions you may have.
